2022 19th Annual YSSC LC Firecracker Invitational
MEET UPDATE

Coaches,

First, we would like to personally thank all our visiting teams for participating. We want to take a moment to update you on this weekend's swim meet.

- Meet web site: https://www.teamunify.com/SubTabGeneric.jsp?team=scsyssc&_stabid_=5838
- Y-Spartaquatics Swim Club follows local DHEC guidelines and South Carolina CDC protocols.
- The listed Safety Marshall is responsible for coordinating Return to Competition Plan and SafeSport Protocols.
- Please notify your team families that **parking is only available in the front parking lots** (opposite side from the pool) of the YMCA. ***Parking at the other end of the YMCA is for coaches and meet officials only.***
- We greatly appreciate help by visiting officials. Individuals wishing to officiate should contact meet referee Kim Crounse via email or phone **before the meet**.
- Given the size of this meet, we will need help with timers from visiting teams. If you're willing to time, please stop by the volunteer check-in table in the lobby and see if there are any openings and then plan on attending the timer meeting (15 min. prior to the start of the meet).
- We will need timers for finals. If you have a swimmer who makes finals, please consider helping by signing up at the volunteer check-in table in the lobby and then attending the timer meeting (15 min. prior to the start of the meet).
- There is NO running allowed on deck at any time.
- All coaches must check-in at Clerk of Course.
- There is NO running allowed on deck at any time.
- There will be two bleachers set aside for spectators along with the patio. Y-Spartaquatics will make every attempt to live stream the competition on social media (https://www.facebook.com/gocukes).
- Locker room and restroom use must comply with all USA Swimming Safesport guidelines.
- Please ask your team and families to help keep your team areas clean throughout the meet, every day.
- **Any destruction or damage to the gym or YMCA facility will result in that swimmer and his/her team being scratched from the rest of the meet weekend.**
- Seating is limited to the **pool deck or outdoor areas only.** No seating will be allowed in the facility's lobby or hallways. The pool deck will **not** be open before 6:00 AM for seating.
- It is the goal of meet management to keep the duration of every session as short as possible yet retain adequate recovery time for every swimmer. Several methods will be used to achieve this:
    - Events of 400M or greater, including freestyle, are positive check-in events and deck seeded. This ensures that no extra heats are seeded for lanes that will not have a swimmer.
    - Heats will be combined whenever possible. Most of these will be noted on the meet program. Please make a special note to notify your swimmers to pay careful attention to those heats so that they do not miss their event. Care has been taken so that combined heats appear adjacent to each other where possible. In some cases this may require a change in the event sequence. Again, the printed meet program will show the correct sequence.

- If the meet referee makes changes to any heats from what is printed in the heat sheet, the coach of any affected swimmers will be notified in advance.

- Any swimmer who is positively checked-in for an event and does not swim will be ineligible for his/her next individual event.

- Any swimmer not planning to swim at night in the finals must scratch so those swimmers who would like to swim again may do so. The penalty for failure to show in a final or consolation final is the swimmer will be ineligible for his/her next individual event.

- Positive check-in for each session closes promptly 30 minutes prior to the start of the session. If you intend to scratch (i.e., not check-in) a swimmer, please also confirm scratches on the check-in sheet.

- Events shorter than 400M do not require a check-in, but notification of any scratches will be appreciated.

- An athlete whole-meet scratch form will be available at Clerk of Course. If at any point during the meet you know one of your swimmers will no longer be swimming, please note this on the whole meet scratch form.

- Addition of new athletes to deck seeded events will only be permitted prior to the start of warm-ups each session. No new athletes will be added to the meet without presenting a valid USA Swimming ID card.

- Adds to pre-seeded events will only be permitted on a "lane available" basis. No heats will be added for the event.

- All events for 11-12, 13-14, and Senior, except those noted below, will be conducted as Preliminary/Final events.

- Unless otherwise noted:

    - All 13-14's and Seniors Prelim/Final finals heats will swim a B consolation heat followed by an A championship heat during the finals session.
    - All 11-12 Prelim / Final events will swim an A Final heat during the finals session.

- All swimmers must supply their own counter (if desired) and timer for events longer than 400m. This includes the 800 Freestyle and 1500 Freestyle.

- The 400 Freestyle, 800 Freestyle, 1500 Freestyle, and 400 Individual Medley preliminary session heats will be seeded fastest to slowest, alternating girls' heats followed by boys' heats.

- In the 13 & Over 400 Freestyle and 400 Individual Medley, there will be two (2) finals heats each of female and male swimmers of each age group (13-14 and Senior).

- The 11-12 200 Butterfly, 200 Backstroke, 200 Breaststroke, 400 Individual Medley, and 400 Freestyle will be conducted as Timed Final events. The Top 8 seeded swimmers in each event, after positive check-ins, will compete during the finals session.

- The 11-12 800 Freestyle will alternate women and men, fast to slow with all swimmers competing in the preliminary session.

- While this meet is sanctioned for time trials, they will be at the discretion of the meet referee due to the tight timeline.

- Hospitality will serve breakfast, lunch and dinner on Friday, Saturday and Sunday for coaches and officials in a room off the YMCA main lobby. On Thursday evening, dinner will be served. Once the meets begins, waters will be available at the Clerk of Course area and in the Hospitality Room. Coaches are asked to take their food to the pool deck to eat.

- A concessions stand will be available for swimmers and spectators. The pool deck door by concessions can be used for outside spectators to purchase concessions items. This is not a designated entry location for swimmers.

- Carolina Gourmet Snowballs will be here all weekend.

- Augusta Swim Supply will be in the lobby during the meet on Friday and Saturday.
- Heat sheets will be mailed to the coaches for distribution to the swimmers and families no later than Thursday PM. There will be no heat sheets available at the meet.
- WARM-UP TIMES: Please note that warm-up lanes will be assigned unless otherwise noted. Swimmers need to be out of the water one to two minutes before each session starts so the session can begin on time.

Our Mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for ALL.

When you give to the Y, you partner with us to provide life-changing programs and services focused on:

INSPIRING YOUNG POTENTIAL & DRIVING ACADEMIC SUCCESS

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential.

DROWNING PREVENTION

Swim lessons are a necessity, not a luxury. Every child deserves to learn life-saving water safety skills. We work with the school districts to provide swimming lessons for kids as their PE class.

TACKLING COMMUNITY HEALTH CHALLENGES

By helping cancer patients and adults at risk for chronic disease through signature programs like LIVESTRONG at the YMCA, we build a stronger, healthier community.

ENSURING ACCESS & BELONGING FOR ALL

With our doors open to all, we bring together people from all backgrounds and support those who need us most. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

"I cannot say enough good things about the Y"

After Rhonda's divorce, her three children, Morgan, Grayson and Ashlyn, needed a safe place to go during their out-of-school time while Rhonda was at work. They found that place at the Middle Tyger Y.

"When I'm at work, I know my children are safe and protected. I rely on Megan and her staff to monitor their behavior for changes and problems, and they have always gone above and beyond," says Rhonda. "The children love the counselors, the activities and the sports and specialty camps." In the beginning, her youngest daughter, Ashlyn, would cry about having to go to afterschool instead of coming straight home, but now she gets up at 6:15 every morning excited to go to camp!

CONSIDERATION TIMES:

*Any swimmer who achieves the qualifying standard will be deemed qualified for the event. Any swimmer who has legally competed in this event 3 times during the relevant qualifying period will be deemed qualified for the event. A 10/u swimmer may qualify to swim the 500 using any combination of three 400 Long Course Free and 500 Short Course Free completed during the qualifying period. Swimmers in this event will enter at their fastest legal time (verified through SWIMS). All swimmers entered using this alternate time standard will submit a hard copy of the swimmers' names and the 3 qualifying swims to the Age-group Chair or his/her designee by the meet entry deadline.

**11-12 age-group events 400 yards/meters and above will implement a "consideration time." Swimmers entering these events with a qualifying time will be seeded in the event. The event will be filled to 4 full heats. Any remaining spot(s) after regular qualifying entries are compiled will be filled with the fastest consideration time entries. Consideration times from the conforming course will be entered first. Consideration time entries will be automatically entered in the meet until 4 heats are filled (32 or 40 for 8 and 10 lane courses respectively). These entries will be posted in the preliminary psych sheet.

***11-12 age group events of 200 yards/meters of stroke (Back, Breast, and Fly) will implement a "consideration time" for swimmers ALREADY qualified for the meet in any other individual event. The consideration times are a 4% increase on the actual qualifying time for the event. The event will be filled to 4 full heats. Any remaining spot(s) after regular qualifying entries are compiled will be filled with the fastest consideration time entries. Consideration times from the conforming course will be entered first. Consideration time entries will be automatically entered in the meet until 4 heats are filled (32 or 40 for 8 and 10 lane courses respectively). These entries will be posted in the preliminary psych sheet.

RELAYS:

An 11-12 400 Relay team may qualify using the 200 Relay time standards (either by aggregate or team time). Qualifying for the 13-14 200 Relays will be based on the 400 Relay time standards (either by aggregate or team time). Seeding for all 11-12 Relays will be done using a qualifying or aggregate time in the 200 Relay distance and for the 13-14 age group, seeding will be based on the 400 relay distance using either a qualifying or aggregate time.

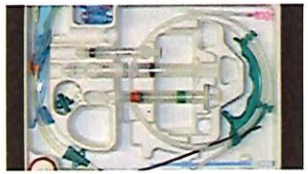
BRT Blue Ridge Thermoforming

184 Commerce Center, Greenville, SC 29615
864-272-1022 www.brtusa.com

Blue Ridge Thermoforming is a custom plastics manufacturer and fabricator located in Greenville, SC. We are a manufacturer of custom designed vacuum formed packaging, equipment covers, shrouds, and other plastic products.

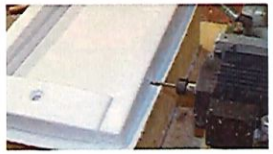


Thin Guage

Thin Gauge thermoforming is a process that converts a flat sheet of plastic into a functional form usually used in packaging.

Heavy Gauge

Heavy gauge thermoforming is a process that converts a flat sheet of plastic into a functional form.



5 Axis

A 5-axis machining involves using a CNC to move a part or cutting tool along five different axes simultaneously.

Design and Development

We have over 30 years of experience in designing and developing vacuum formed trays, packaging, and equipment covers.
