2015 Fee Schedule for Club Membership

The following new fee schedule for clubs was passed at the February 21, 2006 Board of Director's Meeting and became effective beginning September 1, 2006 (the beginning of the 2007 Registration/Membership Year).

The fee structure is based on the date the swim office receives ***all required items for charter approval*** (NOT just when you sent paperwork). A monetary incentive has been provided for year-round renewing clubs to have their charters approved early in the membership year. The club charter renewal fee is based on the schedule below. All items required for club renewal must be sent (with nothing pending approval) according to the dates on this schedule. If not able to be approved until a later time period, the fee may be higher – within the time frame of the schedule below. That additional fee assessed must also be sent prior to the next submission period or, the fee will increase again.

Submission period (Date Received & Approved)	**Fee for Renewal**
September 1st thru October 31st	Club Fee $100
November 1st thru November 15th	Club Fee $200
November 16th thru November 30th	Club Fee $250
December 1st thru December 15th	Club Fee $300
December 16th thru December 31st	Club Fee $350
After January 1st	Club Fee $500

** **Items required for approval include**: [Fee is based on date of approval]

- **Club Membership renewal (charter) form** (emailed to cshapley@mnswim.org as an attachment)
- **Club Renewal Fee**
  (Mailed fee based on the above schedule and submitted prior to the next submission date to avoid a higher fee)
- **Signature Page** (Mailed Verification and Acknowledgement Signatures of Club President and Head Coach, attesting to terms of club membership)
- **2014 Non-Athlete membership** application & **fee** for **Head Coach** (Coach of Record)
- **Additional Requirements for Head coach:**
  - ✓ **Current safety certifications** (according to the USA Swimming's most current list of allowed courses for CPR, FA, & STSC. They should be current continuously to avoid loss of status.)
  - ✓ Head coach must have current level 2 **background screen current** at time of approval.
  - ✓ Head coach must have current **Athlete Protection Training (APT)**
  - ✓ Head coach must have completed **Foundations of Coaching** at time of approval.
    [*Foundations of Coaching [FOC] 101 for 1st year coaches; FOC 201 and Rules & Regulations for coaches before 2nd year; Original FOC/Grandfathered for coaches who first registered prior to 1/1/2014.*]

Exceptions:

- New clubs will be able to register any time for their 1st year at the $100 fee.
  (All above items for approval must be in complete.)
- Any club not wishing to conform to this policy as a year round club may apply for membership as a seasonal club. Seasonal club fees will remain at $100. (The club membership would only be valid during the designated 5-month seasonal membership period [typically from early March until early August] and all approval requirements listed above must be complete.

2015 USA Swimming Membership Fee Schedule

** Actual fee paid is the USA Swimming Fee + the LSC Fee
