July 17, 2017

Dear Parents and Swimmers,

As we did last year, we will be offering the following dual participation plan for the 2017/18 season. The purpose of this plan is to accommodate those athletes who are participating in a MSHSAA High School sanctioned sport, which is in season, and with the Sharks Swim Team simultaneously. We will be allowing those athletes to choose one of three plans for the month(s) in which the dual participation is taking place.

You will have the option of coming to only four (4) or less Sharks practices per week (Monday – Sunday) and pay half (½) of the stated fee for the group in which that child is in.

Alternatively, you can come to five (5) or more practices a week and pay full price for the group in which your child is in. These two plan options only apply to those participating in a MSHSAA High School sanctioned sport that is in season. Exceptions will not be made for those who choose dual participation with the Sharks Swim Team and another athletic/non-athletic organization.

The third option only applies to those who are participating on a MSHSAA High School Swimming Team. You can choose not to swim with the Sharks Swim Team during your high school season. Although, in order to guarantee a spot on the team when your high school season ends, you must pay a one-time $75.00 holding fee at the start of your respective season and register for the team by the deadline date. If you do not pay this fee, you may join the team after the season as long as there is an opening in your group. Once again, this option does not apply to anyone participating in a MSHSAA Sanctioned Sport outside of swimming.

Please be advised that if you choose the ½-price plan you must adhere to the four (4) or less practices per week rule. If this rule is violated, your account will immediately be charged for the remaining balance of the full-price for that month. This charge will also apply to those who end up not participating in their other stated sport or quit the high school team before the end of the sports official season.

Sincerely,

Brian J. Bacyinski
Recreation Superintendent
City of St. Peters Rec-Plex
