Registrations: As you see, only 17 clubs have registered so far. Several clubs have sent their applications but they cannot be processed for one reason or another—the most usual reason is because the person named as the Head Coach is not up to date with certifications. I cannot process a Club renewal if the Head Coach is not in compliance.

Coaches should NEVER be out of compliance but they are. Clubs should take a close look at this because they are jeopardizing their insurance coverage. This is akin to driving an automobile without insurance. We are not aware of when the next incident will happen and when it does, it's too late to get insured.

Club Portals: All clubs may now view a list of their currently registered non-athletes and athletes (with expiration dates) from their Club Portal on the USA Swimming website. A password is required to access the Club Portal. Clubs who don't know how to access this may contact the MS Office for instructions.

MS Records: The girls set 30 records during the 2009 swimming year (15 SCY, 14 LCM and 1 LCM Relay) while the boys broke 49 (18 SCY, 21 LCM, 6 SCY Relays and 4 LCM Relays). The breakdown by age groups is as follows:

Age Group	# Female Records	# Male Records
10 & U	2 individual SCY (2 athletes) 1 Individual LCM	No SCY 3 Individual LCM (1 athlete)
11 – 12	6 individual SCY (4 athletes) 3 individual LCM (2 athletes)	11 individual SCY (2 athletes) 8 individual LCM (1 athlete) 1 relay LCM

Names of the athletes and the events are available on the MS website. Certificates are being prepared and the intent is to mail these and the National Top 10 Certificates to the coaches prior to the end of the year.
