MEET TYPE: Sanctioned

MEET FORMAT: The meet will be swum as Timed-Final format. Flyover starts will be used.

SCRATCH PROCEDURES: Coaches will receive a scratch sheet at the beginning of each session upon production of USA Swimming coaches credentials (Deck Pass) to meet management.

Coaches must indicate all scratches on these sheets and submit their scratch sheets to the computer table at least **45** minutes before races start. If any team does not comply with these procedures, at the Referee's discretion the **penalty** for that team is to be scratched from the session.

FACILITY: The Chelsea Piers Competition Pool is an 8-lane, 50-meter course plus two outer lanes. Water depth at start end is: 7 feet. Water depth at turn end is: 7 feet. The competition course has not been certified in accordance with 104.2.2C(4).

At the conclusion of the **13 & Over** warm-up tiers there will be a single, additional warm-up period combined for all teams with four (4) outside lanes being pace lanes and lanes 2-7 designated as one-way sprints with starts from the blocks. **Starts and one-way sprints will be part of the individual 12 & Under warm-up sessions, to be conducted at coaches' discretion.**

The meet management reserves the right to condense or expand this warm-up format dependent upon meet subscription and facility requirements.

Coaches –

You are receiving this because at some point in the last 18 months, you've attended a swim meet at Chelsea Piers Connecticut. Thank you for bringing your team to our facility! We welcome groups from all over the region and thank you for your patronage. We always strive to put on great events for the athletes and their parents.

I've spoken to most of you about my philosophy on limiting the timelines to 3 hours and 15 minutes before on deck scratches – but in case we haven't had the chance to talk - I think long meets are a detriment to our sport. I set a hard cap on the number of entries we take in an order to run shorter meets. We charge more per splash to make up in margin what we lose in volume. So far it's worked well and our sessions regularly clock in at less than 3 hours.

I usually spend the PM Sessions on the spectator level helping support meet staff and we've realized that printing heat sheets usually leads to a lot of craziness up there. In an effort to make the experience more enjoyable for everyone involved, we are going to increase our splash fees by $1 per event and make heat sheets available for free on Meet Mobile. Coaches and Officials will still get printed copies, but parents will have access to heat sheets and results only through the app (available on iOS and Android). Please note that we anticipate this being a break-even move for us, it is not a money grab. This option will also help us reduce the incredible amount of paper we waste at each meet as well as reduce the long lines for waiting to get a copy of the heat sheets.

Hopefully you find the experience of swimming at a great facility with reasonable time lines worth the extra money. Thank you for your continued patronage and I hope to see you at a meet soon.
