SHARK BYTES

June 26- July 2, 2022

Meet Season Ahead

This is the last week of June and July brings Meet Season! An email went out last week explaining the Meet Sign Up process for the rest of the season. Devon Swim Meet sign up is now open and deadline is July 3rd. Deadlines are FIRM. The meet sign up system does not allow late entries so please ensure you are signing up for meets in time.

When you are signing up for meets:

- Make sure you mark Yes
- The events that show on the sign up are the ONLY ones available at that meet. So if you don't see the event you want, that event won't be at the meet.
- Select 4 events. Coach Kennedy will then approve or change the events. You need to indicate the top 2 choices in the notes box so they won't be changed.
- In the notes box type Yes or No for relays. If you do not type that you are staying for relays, your swimmer will not be put into a relay.

Swimmers that do not have their Swimming Canada registration completed will not be able to sign up for any meets.

Stony Plain Swim Meet

July 22/23rd is the big day. It is an all hands on deck event. We require every family in attendance to sign up for one or more volunteer shifts. We need officials. You can start taking courses now. Please visit: https://swimalberta.ca/officials/clinics/ to start taking eLearnings and Self Directed clinics. Meets cannot run without officials so we need all families to start taking courses. If you cannot access the eLearnings please email Belinda Fuchs bamegill@gmail.com . You can start signing up for officiating
