Meet Type:	Relay Dual Meet This will be an in-person meet. The number of swimmers will not exceed the facility capacity listed in this meet announcement
Facility Rules and Policies:	No parents or spectator will be allowed in the facility except to perform a service or function at the request of meet director or meet officials. Please keep all thoroughfares in the building, especially hallways, stairs and door areas, open and free of equipment and chairs. No alcohol or tobacco shall be consumed in the venue. Please park only in designated spaces and help keep traffic lanes near pool open at all times.
Locker Rooms / Changing	Athletes must arrive and depart in their suits. Locker rooms are for restroom use only and must not be used for changing or showering. Deck changing is prohibited. Restrooms will be monitored by Safety Marshals.

Facility Information	
Facility Capacity	Due to the current COVID-19 environment and limited pool deck space at Aquatic Adventures, United Swim Association, is not permitting spectators in the pool area or dive shop at this time, however, there are many volunteer roles that will be required. We will continuously monitor the evolving guidelines pertaining to group size as it relates to COVID-19 and guidelines from various local and state agencies. POOL DECK: Planned total number of people on the pool deck area per session will not exceed xx people and will be distributed as follows: Swimmers: 36 Coaches: 4 Officials: 6 (includes deck officials and AO/scoring table personnel) Volunteers on the pool deck: 7 timers / 3 safety marshals Lifeguards: 1

COVID Procedures / Information	
Specific COVID Protocols for this Meet	United Swim Association staff will help monitor the number of people on the pool deck throughout the meet and help direct traffic from the entrance to the pool area and then to the exit upon the conclusion of the meet. <u>Mask/Cloth Face Covering Wearing Requirements</u>: Masks/cloth face coverings will be mandatory for all participants. Participants are defined as swimmers, coaches, officials, volunteers, and all other applicable adults as defined by MAAPP. Everyone must wear a mask/face covering for the duration of the meet. Swimmers only have an exception during the swim cycle. The 'swim cycle' is defined as the time period beginning with the swimmer being called for their warmup or race until their warmup/race/cool down has ended. Swimmers must wear their mask/cloth face covering when not swimming.
Entry and Exit Procedures and Health Screening	Ingress into the facility must include health screening questions and should include temperature screening either at the facility or prior to arrival, no person shall be admitted with a temperature over 99.5F or in accordance with CDC, or local health department recommendations. Volunteers, coaches, officials and athletes will be required to wear a mask at all times while inside the building. All volunteers, coaches, officials and athletes will be required to answer health questions take a temperature screening which will happen [location where these are checked] before they enter the pool area. Safety Marshal will be responsible for monitoring all safety procedures.
Athlete Seating Areas	Athletes will be required to be seated at numbered spaces around pool deck. If over 30 athletes are present, the remaining 6 will be required to sit in the former swim shop assuring 6 feet between the next swimmer.
Swimmer Limitations and Protocols	DURING RACES: Swimmers will put items directly behind the lane against the wall of the pool. When the heat before you dives in and the previous heat has moved to the warm down lane or exit the pool, you will be called to move to the block at your assigned lane and be ready to begin to begin your heat. When you finish your race, you will stay in the water. We will do fly-over (dive-over) starts. After the next heat begins, swimmers in session may move to the cool down lane to swim a 50. then exit the pool and proceed to collect their towel and mask, dry face, put mask on, and proceed to exit the pool area -maintaining physical distance -around the scoreboard side of the pool to the north doors. If you use the restrooms, spray all touched surfaces upon leaving the locker room (assuming spray sanitizer available at facility). Locker rooms are not available for changing before or after the meet. When not in the water, athletes are expected to wear a mask at all times, including when walking to and from an event and/or warm-up lanes. Masks may be removed masks for swimming but must put them on again once they exit the water. Athletes are expected to maintain proper distancing at all times.
Parental Access and Safe Sport Considerations for Athletes	The Meet Safety Marshal as well as United Swim Association Safe Sport/COVID Coordinator will provide oversight for this. Should a parent need to access a child who is on deck, the child will be brought to the parent at the pool door or in case of emergency, the parent may be escorted to the child. United Swim Association will encourage parents to volunteer during the swim meet to reduce the number of people in the facility. United Swim Association will provide a live stream (via the USA Meet Facebook page) so parents will have access to and/or opportunity to observe their swimmer.
