State Meet Entries Using OME: From the perspective of proving times, OME worked very well since it apparently requires coaches who enter custom times to enter the date of the meet and the name of the meet where the time was achieved. For the 12 & U Meet, there were 267 custom times to be proven (mostly from YMCAs) and for the 13-14 & O Meet, there were 345 custom times--mostly from High School Meets. Hopefully we will continue to use this for State Meet entries and not get derailed by the minor reversable issues we encountered this first time.

LEAP-Level 1 (LSC Evaluation and Achievement Program from USA Swimming): In looking at the schedule posted on the USA Swimming website, it appears that Michigan Swimming is due to have their documents posted by April 30, 2011 (just a few days from now). Within the past few weeks USA Swimming made some changes to this program and they are requiring some documents that were not on the previous list. If someone could send me electronic documents for the following missing items, I will add them to our LSC Portal. They are: Mission Statement, Vision Statement, Annual Budget, Conflict of Interest Policy, Meet Sanction Request Form for a Sanctioned Meet , Meet Request Form for an Approved Meet, Meet Announcement for an Approved Meet, Meet Observation Request Form, A document that shows the current schedule of training and certification for officials, Team Travel Policy.

Also, they want to know if the LSC has submitted tax forms within the past year, submitted an audit within the past year, a description of how we use "Reports of Occurrence", review accident reports and disseminate safety information, the names of the individuals who voted at the 2010 Zone Planning Meeting and how we communicate our vision and mission statements to the membership and volunteers.

Outstanding Service Award: Contact Julie or me if you would like an application to nominate someone for this annual award. This award, sponsored by ConocoPhillips, is presented to a volunteer in each LSC in recognition of service to swimming. Recipients of the Outstanding Service Award are selected by the LSC and receive the award and an Outstanding Service Award pin.
