Failure to do so will result in the swimmer being barred from his/her next individual event on that day or the next, whichever is first. Deck seeded events shall be closed for seeding as listed on the order of events.

1. Any swimmer who competes in a preliminary heat and qualifies as one of the original 16 finalists must swim in that final's event; or must notify the Admin Ref that he/she intends to scratch from that final's event within 30 minutes of the announcement of the qualifiers.
2. Swimmers may reverse their intention to scratch and choose to be seeded for finals if they do so within 30 minutes of the conclusion of the preliminary session for that day.
3. Any swimmer in a championship or consolation final who fails to swim that event will be barred from their next individual event, excluding finals and relays, in which he/she is entered unless excused by the meet referee due to one of the exceptions below.
4. A swimmer not originally qualified for the championship or consolation final that is seeded into a final due to a scratch of another swimmer will not be penalized for failing to swim in that final.

No penalty shall apply for failure to withdraw or compete in an individual event if:
1. The referee is notified in the event of illness or injury and accepts the proof thereof.
2. It is determined by the referee that failure to compete is caused by circumstances beyond the control of the swimmer.

- NOTE 1: Alternates wishing to swim in an open lane in finals must be standing at the starters stand, ready to step on the blocks for his/her swim, when the swimmers are called to the blocks. Only the starter will call for the alternate, not the announcer.
- NOTE 2: Finals/Consolation Finals scratches must be done individually; 'team' scratches will not be accepted.
