RECORDS: During the 2010 year (Sept 1, 2009 through Aug 31, 2010) Michigan athletes set records in 27 LCM individual events and 3 LCM relays and in 39 SCY individual events and 9 SCY relays. Madison Wright set a NAG record in the 11-12 girls 200y fly (2:00.00) and Camden Murphy set a NAG record in the 10& U boys 50y fly (26.58). Record certificates have been mailed.

NATIONAL TOP-10: Several MS athletes achieved times which placed them on the National Top-10 listings which include the top 10 swimmers per age. Certificates from USA Swimming were mailed to all athletes on these lists age 14 and younger.

BACKGROUND SCREENS:
***** All non-athlete members who have not previously completed the USA Swimming background check must complete the new background check process.
***** All non-athlete members who completed the USA Swimming background check before September 1, 2010, are required to complete the new check by **April 30, 2011**
***** Any non-athlete members who completed the USA Swimming background check after September 1, 2010, must complete the new background check by **December 31, 2011**

COACH CERTIFICATIONS: Around the first of each month, I will be sending a list of coaches who have one or more safety credentials or a BG Screen expiring during that month to the Head Coach and the Club President. If these are not renewed and copies of the new cards sent to the MS Office on or before the expiration date, the coach membership will be changed to Non-Athlete 'OTHER' until the requirements have been satisfied. This means that the names of these individuals will not appear on the Coach Listings which are emailed to all host clubs and meet referees and posted on the MS website; therefore, they should not be on deck at meets. Meet hosts and referees are asked to designate volunteers to check the "Valid To" dates on all membership cards.

OFFICIALS: A listing of certified Officials is also being emailed to each meet host and to the meet referees and posted on the MS website. Meet hosts and referees are asked to designate volunteers to check the "Valid To" dates as well as for the word "OFFICIAL" on these membership cards.

STATE MEET ENTRIES USING OME: From the perspective of proving times, OME worked very well since it apparently requires coaches who enter custom times to enter the date of the meet and the name of the meet where the time was achieved. For the 12 & U Meet, there were 267 custom times to be proven (mostly from YMCAs) and for the 13-14 & O Meet, there were 345 custom times--mostly from High School Meets. Hopefully we will continue to use this for State Meet entries and not get derailed by the minor reversable issues we encountered this first time.
