Welcome to Jaguar Aquatics!

**Training Groups** Jaguar Aquatics is divided into five smaller training groups to better serve the athletes: Bronze, Silver, Gold, Gold Elite, and Senior. Each team has at least one USA Swimming Certified Coach on deck to teach, train, and motivate all the athletes.

**The Natatorium** Jaguar Aquatics is very fortunate to utilize the IU Natatorium on the campus of IUPUI as a practice facility. Both the instructional pool and the main competition pool are used for practices. Jaguar Aquatics is the only team in the state that gets the opportunity to practice in the same pool as many Olympians and National champions.

**Away Swim Meets** JAGS athletes have the opportunity to compete at swim meets at other facilities. We attend other meets about once a month. Athletes are not required to compete at these swim meets; however, it is an excellent opportunity for them to get out of the comfort of the Natatorium and compete against other teams.

**Hosted Swim Meets** Jaguar Aquatics hosts three swim meets over the course of calendar year. Two of those meets take place during the Short Course season (September through March) and the other is held during the Long Course season (April through July). The primary purpose of these meets is to allow the athletes an opportunity to compete in a world class facility against local and regional competition. The secondary purpose is to raise funds for the team. By hosting meets, Jaguar Aquatics families do not have to do any outside fundraising. However, in order to successfully run these high caliber meets, it takes help from our parents. The parent volunteer requirements are explained in the Parent Contract section of the registration packet.

**Two weeks FREE!** New members have the opportunity to try out Jaguar Aquatics for two weeks for FREE! If after two weeks you decide to join our team, the attached forms will need to be completed. If you decide that Jaguar Aquatics is not the best fit for your family, simply communicate your decision to a member of the coaching staff and you'll be free to research other options.

**Registration Forms** Please take the time to carefully read and complete each form. Only complete these forms if you are considering joining the team. After we receive your registration forms, you will be sent a verification e- mail from a website called TeamUnify, where you can set up your online account through. This online account is not used for billing. Thank you for considering Jaguar Aquatics! We hope that together we can help your athlete experience success through JAGS!
