CHINOOK AQUATIC CLUB
MEET ENTRY FORM

After thoroughly reading the attached meet information sheet, fill out this meet entry form and turn it in to your coach **before** the entry due date. Late entries will not be accepted.

Remember to keep the meet information sheet because it contains all the pertinent information you will need on the day of the meet (i.e. directions to the pool, time that warmup and the meet will begin and order of events.) It's always a good idea to make a copy of your completed meet entry form before you turn it in so that you remember what you entered. Remember not to enter relays on this form. Coaches set up the relays on the day of the meet. If you have any questions about which events you should enter, please talk to your coach. Choose the events you would like to swim, but your coach makes the final decision on all entries. Your new USS registration number is figured as follows: **Your six digit birthdate, the 1st 3 letters of your first name, middle initial and the first four letters of your last name (ie. 090771SCODFLOR).**

Remember with our new fee structure, you no longer pay for meets, it is included in your training fees, unless you late enter with the host club. If you enter any meet and then fail to show up, you will be billed for the cost of the meet. (fees will be waived in instances of illness if we receive an email or a phone call by Monday after the meet) **Also, if you are new to Chinook in the last month, do not enter any meet until you have verified that you're registration has been received and processed by our Membership Chairman.**
