The 1000 freestyle and 1650 freestyle are timed finals events with the top heat (10 swimmers) of the women's and men's 1000 freestyle and 1650 freestyle swimming in finals. The 200 yard relays will be swum during prelims while the 400 and 800 yard relays (10 lanes) will be swum with finals. SITE: The WPI Natatorium is a 17 lane 25 yard pool with 7 foot wide lanes and non-turbulent lane lines. There are touch pads at the turn end of the pool; however, splits may not be used. The Competition area of the WPI Natatorium consists of 8 to 10 lanes with Paragon Starting Blocks and Electronic Reaction Take-off Pads. There will be 6 open 25 yard lanes for continuous warm-up and warm-down through the meet. The Meet Director and Meet Referee reserve the right to open as many as 8 lanes for continuous warm up through the course of the meet. The finish and turn ends of the pool range in depth with lane 1 at 8'5" to 14' in lane 10. Spectator seating is available for 300. The pool is located in the WPI Sports and Recreation Center at Worcester Polytechnic Institute 100 Institute Road, Worcester MA 01609. The pool may be entered via the main entrance or the lower entrance nearest the parking garage. Directions will be located later in this document. The competition course has been certified in accordance with 104.2.2C(4). The copy of such certification is on file with USA Swimming.
