   b) Volunteer Coordinator Report – Kristen
      23 active swimmers have not signed up for Garlic Festival. This number will be updated with membership.
      GGST Tea Booth needs more signups. Signups were done differently this year. Our team filled 85 shifts in Gourmet Alley (this will be confirmed with Cynthia Van Laar). Gourmet Alley signups were sent out first. 16 years old and up can work in tea booth for GGST. Tiffani O'Hara working with Smart n Final on purchasing Torani syrup. Kristen looked at better deals on Amazon and smartnfinal.com for syrup, straws, cups and tea. More expensive if purchase online. Water will be provided for tea booth and garbage pick-up.

Maegan Collett working on design for team tshirts and the CVAL shirts that will be tie dyed. Mark Garrison, a GGMS is donating the CVAL shirts for our swimmers. Mark Garrison is also helping with building our new and improved GGST tea booth with Chad.

c) Treasurer Report – Cristian

Treasurer Report to be reviewed at next BOD meeting.

d) Ways & Means Report – Francesco/Mercedes

GGST having a swim a thon. Jessica Passage from Team Unify will help us set up for the swim a thon. Coach Adam will look at the team schedule to select a date. Swim a thon could be scheduled during an evening practice. Kristen will give the GGST sponsors names and numbers to Ways and Means so they can be contacted for their yearly renewal. Suggestion to make a plaque to hang in sponsors business offices. We currently have 5 sponsors. Team tshirts will delivered on the 25th. Deadline for team to place their order is the 16th. Swimmers get their shirt free of charge. We need all swimmers to wear their shirts for the team photo and Garlic Festival (gray tshirts)

e) Coaches Report- Adam

Gators water polo? Our team has been asked about having a water polo team. Details to be looked at a later time. One concern is that our team would never get the deep pool during the water polo season. Coach Doug to come to our next BOD meeting?
Team meeting coming soon date possibly the 26th or 27th on deck with Coach Adam
Possible to have a 2 week clinic during our team break after CVALs?
Kids are doing well who are coming to morning practice.
Adam has a lead on a mini coach who could replace Coach Francesca who returns to college.
