Junior and Senior Level
High School Warm-up

ATTENDANCE POLICY AND PROCEDURE

Beginning with this 2019-2020 Fall/Winter Swim Season, the YMCA of Delaware Drop-off/Pick-up Policies and Procedures will be enforced. To make the transition to our new policies as simple as possible your coaches are depending on your cooperation and compliance.

At the beginning of practice, Swimmers must be signed in. At the end of practice, Swimmers must be signed out. The attendance sheet will be on the Pool Deck.

All Swimmers under 18 must have a signed Permission to Pick-up Form on file. Swimmers 12 & over may sign themselves in and out of practice **IF** the box indicating you have permission to do so is checked. Please hand in your signed form ASAP.

SWIM BAGS TO POOL DECK, PLEASE!

Beginning at practice on Monday, September 16, 2019, all bags must be stowed on the pool deck – no bags, towels, clothing, etc. may be left in the locker room. Coaching Staff will direct swimmers where to store their personal items on the pool deck. Note that a swimmer may store their personal items in the locker room in a closed and locked locker. No items may left in the locker room on the floor, benches, top of lockers or anywhere outside a locked locker.

COMMUNICATION WITH COACHES

In past years, Senior Level and High School Warm-up Swimmers have been encouraged to take ownership of their swim journey partly by being responsible for communicating with coaches about practices and other swim-team related issues. The Coaching staff wishes to continue to develop independence and responsibility this season by also including our Junior Level swimmers. All communications between Junior, Senior, and High School Warm-up Swimmers and Coaching staff will be through the free App "Group Me" and not by Text or Direct SMS messaging. The name of the Group for our team is "SFY Swim Team F/W 19/20" and is currently set to Private. The protocol for joining the group will be disseminated by the second week of practice.
