October 2019 Minutes - Approve via email

Team Reports

- MSST - Patrick - Leaving for IMX Meet tomorrow. Looking for an Age Group Coach. 85 - 89 swimmers with more interested in trying out. Waiting for the Rob Cody Meet sanction.
- NPAC - Amy - Currently at 80 swimmers with 3 new swimmers just this past week. 31 swimmers for the Wishbone. Lots of young swimmers. Kristi reported high school swimmers are transitioning back in with club swimming, and currently on working on a schedule so all are not in the pool at the same time. Candy Cane Meet will be posted by Monday.
- SST - Josh - Currently at 100 swimmers, 50 Masters, high school swimmers are back. High school swimmers did well, 5 qualified for Senior Sectionals in March, 2 for Futures Meet. Leaving for IMX in the morning.
- NOME - No report submitted by Nome, Josh reported Meet is sanctioned - December 13th & 14th with a social planned for the 15th.
- Galena - No report submitted
- UAF - Final home dual meet this weekend against Seattle University. Next week, November 22, 23, and 24 we will be traveling to Pepperdine.

President's Report - Cover letter and 2017 taxes to Ramona and forwarded to Youth Sports Bingo by November 19th deadline for second reading. 2018 taxes not done yet.

Treasurer's Report - Diane out from surgery. Kristi will send the report via email once she receives it.

Gaming Report - No report from Jill who is traveling.

Officials' Report - 9:00 start time for official training at the Wishbone meet. Interested people need to get registered US Swimming background and athlete protection needed to be completed to walk the deck. Four walks required before a solo walk. 30 day grace period from tryouts to register with US Swimming. During the 30 day grace period, the swimmer can practice, but cannot compete.

Josh - hoping new Nome officials will walk with certified officials at their meet.

Swimmer Rep Report - Jaiden - Too busy with school, no report.

Old Business

- **Quote from Colorado Time Systems - Patrick Burda** - Tabled.

New Business - Michelle Leonard - Prevention policy, adults are not to go through locker rooms. Officials on deck need access to restroom facilities so the gate will be unarmed for officials and coaches to use facilities in lobby. The use of the FNSB pool staff locker room was discussed, Amy pointed out a new swimmer is also an FNSB guard. A sign will be made declaring if an adult or a swimmer/employee under the age of 18 is changing, for privacy and protection. Michelle prefers all coaches to use the lobby restroom facilities during swim meets. The new policy will be in place for the Wishbone meet. Claire mentioned a good place for the Safety Marshall to be posted is near the gate.

The next meeting hosted by NPAC on Tuesday, December 2019 - Wescott Pool at 6:30 Meeting was canceled via email discussion. Next meeting on January 13th at Hamme Pool.
