Dear Generous Area Businesses,

November 5, 2007

The Soldotna Silver Salmon Swim Team is seeking new sponsors for the 2007-2008 swim season. We are a non-profit 501(C) 3 organization that began in 1980 to provide a swimming program for all competitive and recreational swimmers in the Soldotna area. We offer practices Monday through Friday, all year at the Soldotna High School pool. The support of local business helps to keep the monthly swim fees affordable so all the people in our community may participate in this great sport.

Any donation is appreciated, but we have incentives; for a donation of \$100 we will add your website link to our developing website for a year. Sponsors that donate \$400 or more will have a 2'x6' vinyl banner with their company logo displayed at the SoHi pool. All continuing banner sponsors will be given a discounted advertising rate for the subsequent seasons. All donators business or personal names will appear in all our meet programs for the season.

This December the statewide Age Group Championships meet will be held in Fairbanks, AK. Due to the distance needed to travel to the meet, winter travel conditions, hotel and meal expenses some of our swimmers who have qualified for this meet will not be able to attend due to these expenses. We'd like to give our swimmers every possible chance to achieve their goals in the swim program they have worked so hard at. Our team would like your help to send swimmers to Age Group Championships and other meets held for our division this season.

It is a great opportunity for young members of our community to learn a healthy lifestyle, promote self esteem, learn goal setting, learn and experience teamwork, develop time management skills, learn about dealing with adversity, and Have Fun!

It will be great to have your support for this truly awesome sport!

Sincerely,

Soldotna Silver Salmon Team
