# SOLDOTNA SILVER SALMON SWIM TEAM 2009 SPONSORSHIP PROGRAM

## MAJOR SPONSORSHIP FOR OUR SWIM TEAM

**We are doing tremendous things with our youth.**

This group has State Champions, National Regional Qualifiers, and National Zone Qualifiers to swim for Team Alaska. Some of competitors do not have the resources themselves for the entry fees, transportation, lodging, etc... to go to these events. They do however have the talent, and discipline, and parental support. The rest is assumed by our club, us as parents, leaders in the community, and corporate sponsorship.

If you have the passion to help us, all would truly be grateful. These competitors are doing the right things, making the right choices, and we feel that it is our obligation to give them the resources to make it happen.
