******These rates have been figured to provide 3 weeks of free swimming (compared to previous year's prices) to accommodate your family vacations/summer interests and cannot be prorated or otherwise adjusted. If you choose to take your swimmer out of the pool for 3 weeks of vacation time this summer, it is an even trade. If you do not go on vacation or take time off, you get 3 weeks for free. Prorations will no longer be negotiated per family beyond these rates.**

***If you have a Middle School Swimmer, you will be able to join GLT immediately after your MS Season is over. The following fees are based on Middle School Swimmers. Please note *Middle School Swimmer* for correct billing. No installment plan will be available for MS Swimmers. A prorated proportion will also be provided for free swimming for this group.*

Developmental	**$197**
Novice	**$213**
Intermediate	**$266**
Junior	**$308**
Senior	**$362**

Meet Fees: Fees vary. Quad/Dual/Mini type meets are $2 total. Invitational/USA meets are charged by the number of events entered, usually $5 per event, plus surcharge. Surcharges are $10 per meet in-state within 60 miles, $30 in-state over 60 miles, $35 Midwest area (IN, OH, etc.), and $50 national meets, plus LSC fee ($1-3).
****Once you commit your swimmer to a meet, fees are not reversible or refundable for any reason****

Fundraising/Volunteer Commitment: Although GLT does not have a fundraising minimum requirement, we do ask families to participate in fundraising events. We strongly encourage ALL SWIMMERS to participate in our annual Swim-A-Thon with a goal of raising $150 per swimmer. We also require each family to volunteer time to work 3 shifts at the annual GLT Tsunami Meet which is held December. A fee of $50 per shift will be charged to those who do not volunteer.

Multiple Swimmers: Families with multiple swimmers receive a 10% discount on session dues.

Payment Information: We require online payment by credit/debit card or electronic check.
