MOR ANTI-BULLYING POLICY

Marlins of Raleigh Swim Team is against bullying. We want MOR to be a club where simmers feel safe and are treated with respect:

1) In the pool
2) In the locker rooms
3) At meets and other team events

MOR will endeavor to create an environment where all members realize that bullying is not acceptable behavior. Bullying is the use of force or coercion to abuse or intimidate others.

Swimmers are expected to:

1) Respect each other as individuals.
2) Report any incidents of bullying to their Coach and their parents.

Depending on the seriousness of the occurrence the following procedures and punishments will be followed:

1) The parents of all those involved will be informed of the incident.
2) The Head Coach and coaching staff will determine if bullying has occurred and punishments may range from a verbal warning, to community service, to expulsion from MOR.
