2018 Tarheel States Timer Assignments

Please provide the assigned number of timers per session. The timers meeting will be 25 minutes prior to the start of the session and will take place in the Recreation Pool. Timers should check in at the volunteer check in desk right inside of the spectator entrance under the tent.) Please have your volunteer timers chosen ahead of time and have them sign up on line to receive a parking pass for the sessions in which they volunteer. They may put a pool preference and we will do our best to get them at that pool.

To sign up go to the STAR webpage (www.staraquatics.net) and click on the meet name or click on the link below:

Tarheel States Volunteer Timer Sign Up or go to http://www.signupgenius.com/go/4090d4fa4af2ca20-20184

We are counting on your coaches at each session to know which parents are responsible for timing from your club so we will be relying on them to make sure the volunteers are in place.

Thanks in advance for your help!!

Friday, March 23rd - Swimmers provide their own timers and counters for 400 IM and 500 Free
