London Aquatics Centre Training Trip

Work Assignment Donation Fundraiser

Dear Crimson Wellesley Families,

We have 29 swimmers from the Senior 2 & Crimson groups attending the training trip to London, England, December 26, 2019 – January 2, 2020. Our athletes will train at the London Aquatics Centre, home of the 2012 Olympic Games swimming events. This will be an exciting period of focused training, team bonding and dream building! We are planning several fundraising efforts to raise money for our trip and the first is a **Work Assignment Donation Fundraiser** described below.

Work Assignment Donation Fundraiser: Any 12 & under parent willing to sponsor a training trip swimmer can do so by donating $75 per meet work assignment in exchange for a swimmer working their assignment(s) at the Spooktacular meet (October 26-27) & the Candy Cane Classic meet (December 6-8).

Sign-up: Interested 12 & under parents can participate in this fundraiser through the event sign-up on our Team Unify website. The **Spooktacular Work Assignment Donation Fundraiser** sign-up is already loaded onto TU and the Candy Cane Classic sign-up will be loaded over the next few weeks. Please use the following steps to participate:

Go to Team Unify website - Go to Meets/Events – Select the Spooktacular Work Assignment Donation Fundraiser event - Click on Attend/Decline - Select “Yes” under declaration - In the notes state which day(s) you would like to donate – please also list the job(s) you were assigned.

*Donated work assignments ($75 per session) will be billed to your Team Unify accounts.

*Donors will be thanked on our Team website.

Thank you! Go Crimson!
