2018-2019 Liverpool Jets Membership Chart

The LIVERPOOL JETS SWIM CLUB is a nonprofit organization which depends heavily upon membership fees to meet its operating expenses. We have a ***Single Payment Option*** *and a* ***Payment Plan Option*** *(which includes a $50 surcharge). Upon registration, families choosing the payment plan option will provide the club with checks for ALL payments that are due later in the season. Checks used to cover payments in November and December will be held for deposit on the first business day following November 1st and December 1st. An e-mail will be sent out 1 week prior to deposit as an additional reminder to families that the payments will be made. A* ***fee of $25*** *will be enforced on all returned checks. It is the family's responsibility to inform the Executive Board of any issues prior to the payment deadline. If a different form of a payment plan is necessary, please contact treasurer Kim Hunter to make arrangements at 480-2324 or khuntertreasurer@gmail.com.*

** All Swimmers must register with USA Swimming to become members of the Liverpool Jets Swim Club. An annual registration fee of $72 is included at the time of registration to cover this cost. A single check can be used to cover membership dues and this fee. In addition to many other benefits, USA Swimming offers complete liability coverage for all athletes while they train or compete.*

*** Scholastic swimmers are in grades 7-12 that train and compete with their school district's team at some point during this season. Therefore a discount is given for the time they are receiving swimming training through their scholastic program.*

AGE GROUP INTRODUCTORY WINTER ONLY OPTION (SEPT. 18 TO APR 1ST)……$600 *(Non-Sch)*…$550 *(Sch.)*
While we are confident that all of our athletes will enjoy training and competing throughout the year, we do recognize that a yearlong commitment for a new swimmer may be difficult to grasp. As such, we extend a "*winter only*" offer to athletes NEW to the Liverpool Jets Swim Club. If a swimmer decides to continue on after April 1st, the remaining $265 will be charged.

HIGH SCHOOL BOYS PRE-SEASON ONLY OPTION (SEPTEMBER 18TH TO NOVEMBER 20TH)…….……..$310
If a swimmer chooses to return to the JETS following their scholastic season **at any time**, the $310 will be credited towards the remainder of the **full year fee** listed above. Included in this $310 is a USA Swimming Flex Membership. If an athlete upgrades to an annual membership, their USA Registration will be upgraded to a Premium Membership as well.

OUT REACH PROGRAM
If a swimmer qualifies for free or reduced lunch at school, they will be eligible for a reduction in dues by 20%. Additionally, the cost of the USA Swimming membership is reduced from $72 down to $5. A simple form is necessary to activate this program that can be found on our website in "Club Dues" under the Team Guidelines tab. Proof of eligibility will need to be provided.
