Travel Trip Chaperones:

What do Travel Trip Chaperones do?

Travel Trip Chaperones accompany COPS' swimmers and coaches on travel meets to provide supervision of swimmers throughout the trip. Chaperones are assigned a group of up to 10 children to monitor.

Chaperone duties include:

-Providing parental-like supervision to *all* traveling swimmers (not just their own swimmer).
-Helping to make meal arrangements and picking up food for swimmers.
-Conducting room checks to ensure swimmers are in the proper rooms by curfew time.
-Acting as the primary supervisors of the swimmers, when they are not at the meet.

Chaperone volunteers must be registered with USA Swimming as a Non-Athlete. Chaperone volunteer opportunities are usually reserved for parents of swimmers who have previously travelled.

Next Steps:

Parents can sign up to be considered as a chaperone, when they register their swimmers for travel meets.
