Officials Workshop

June 11, 2016

Call to order: 9:10

Attendees: Phil, Robert, Ron, Toni, Mike, Kathy, Henry

Phil - List of items for committee – Prioritize

Kathy – Board wants admin ref, and meet ref

Phil – will present admin official to the board week of 6/13

Phil – need consistency of training presentations and selection of appropriate trainers

Robert – Admin Referee

<u>NTS Administrative Referee Requirement/Goal</u>

Preference will be at the LSC level.

Purpose of Admin Referee at the LSC. Need for advancement for national level. Currently Admin Official is sufficient for prelim/final meets. Phil will research on this further with Bob Griffiths and Melissa Bing.

Scenario – concurrently running in 2 pools at the same meet. Admin Referee can potentially make the high level call.

Make running 2 pools and Prelim/Final a recommendation – consider time management, chase starts and the impact on the swimmers.

Continuous learning will be based on availability of meets and will preferably include all variables (i.e. prelim/finals, 2 pools)

<u>NTS Meet Referee Requirement/Goal – Pass</u>
