PASA Virtual Monster Swim 2021
Week of March 22nd-March 27th
Rinconada Pool

PASA-Palo Alto Swim Club Team Members,

Our 2021 Monster Swim fundraiser is quickly approaching and I'm looking forward to seeing all our swimmers jump in the pool and swim their laps for PASA! The Monster Swim is an important fundraiser for our team as it allows us to maintain our pool, team supplies, and team operational needs. This year our needs include, but are not limited to:

- Timing System
- Scholarships
- Participation in events (buses, Olympic trials registration, etc)
- Water fees for pool rentals (Rinconada, PALY, Stanford, Sacred Heart, etc.)

We are asking all PASA members and swimmers to help us by pledging and fundraising for our annual Monster Swim. Swimmers can collect flat donations, or swim laps and receive donations per lap. As usual, there will be prizes and rewards associated with participation.

As a non-profit, any contributions to PASA are tax-deductible. Also, many of our families take advantage of matching gift programs offered by their companies. Please ask your HR for more information as this is a way to double your donation to PASA.

Monster Swim is a great day for the whole family to swim laps and participate, to fundraise together, or to come and cheer on the swimmers. Come one, come all and make it a day of friend-raising and fun-raising in addition to fund-raising!

Thank you for your support in helping us provide our team with the best resources and experience possible.
