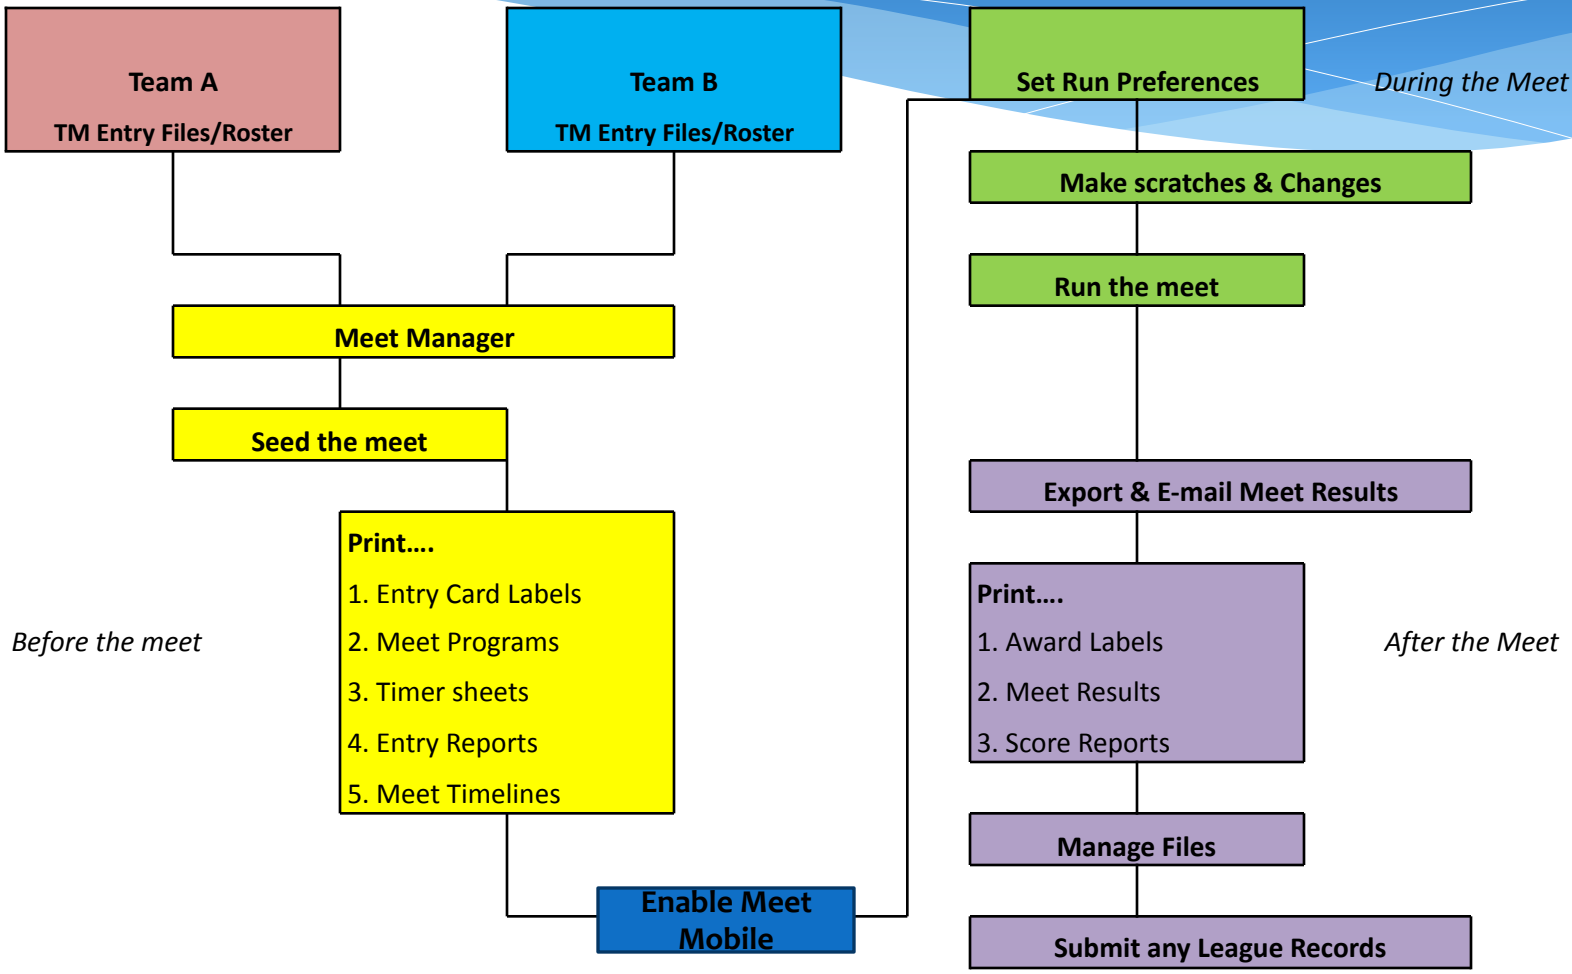
Questions????

- If you have already done scoring before you are now free to leave. Thank you for coming!

- If you are new to scoring we will be running through a mock meet from start to finish to show you how to do everything.

The Big Picture



Pre-Meet Preparation

- Both teams will send you their entry files from whatever team management software they use by 5:00pm on Wednesday.
- Host scoring person seeds the meet, sends seeded meet plus notes about combining heats back to visiting team by 9:00am Friday (The sooner you can do this the better)
- Prior to Saturday you should create entry labels, meet programs, lane/timer sheets, entry reports for each team, and a meet timeline.
- Coaches from both teams may e-mail corrections or changes to you during this process. Please make those changes & corrections when you get them

Meet Day

- During the course of the meet you will accept scratches and deck adds. Note: Make sure you look at the P&P's and are familiar with the deck add rules.
- As races and data come in you enter that data into meet manager (manual/timing system) and score the meet. DO NOT SCORE 6 & Under Events!!
- Periodically run results reports and post around pool area to avoid parents crowding your table asking how fast their swimmers went.
- Once the meet is over Host Scoring person sends results to visiting team, the scoring chair and the MHSL webmaster by 6:00pm on Sunday.

Meet Manager Reports

- Meet Program (aka Heat Sheets)
- Session Time Line (How long the meet will last?)
- Entry Report (By swimmer)
- Lane/Timer Sheets (If at a cardless meet)
- Results (Post every 10 events around the pool)
- Score (Give to the announcer every 10 events)

Who do I make reports for??

- Parent delegates: 2 copies of the heat sheets
- Home & Visiting Coaches: 6 heat sheets, 1 timeline, 1 entry list for their team.
- Officials: 12 heat sheets, 4 timelines
- Clerk of Course: 6 heat sheets
- Scoring table: 3 heat sheets
- Announcer: 1 heat sheet
- Concessions: 1 heat sheet
- Extra copies: at least 1 heat sheet (I usually have around 5 extra heat sheets)

Equipment & Supplies

- Computer w/ MM Software & Printer
- WiFi Hotspot (Clubhouse or via Phone)
- Surge protector & Extension cords
- Flash Drive
- Paper
- MM Instruction Manual
- Sectioned Dividers to organize deck cards
- Pencils, Pens, Black Sharpies
- Stapler, rubber bands, paperclips & tape
- Paperweight (rocks work well)
- Boxes to put deck cards in
- Baskets for each teams DQ slips

What does the scoring table look like?

- Somewhere away from the action and DRY!!!
- 6-8 Volunteers (you want people from both teams)
- Someone “in charge” who isn’t the computer person
- Timing Judges (1-2): Process deck cards by heat, determine correct time for each swimmer. Circle median time of the three times listed. If only 2 times, average them w/o rounding up, 1 time that is the official time.
- Computer input (1-2): Enter time from cards or pull times from Dolphin system. Score the meet, print results.
- Scoring Runner (1): Post results, gets missing cards, delivers DQ slips to coaches.
- Score Verifiers (1-2): Verify we are scoring correctly

MHSL P&P's Regarding Scoring

- Swim Ups- A swimmer may compete in his/her legal age group AND an older age group provided:
  - He/She does not repeat the same event
  - Once he/she advances to an older age group , they may NOT return to their legal age group for the remainder of the meet except for the Medley Relay.
  - For medley relays at all meets, as long as at least one swimmer is in the correct age group, others may move up from any age group to swim in the 13-14, 15-18 medley relays. Swimmers may not swim on more than one medley relay.
  - 6 & Under can swim up to 8 & Under and come back down (because it is 8 **& Under**)

MHSL P&P's Regarding Scoring

- Relays – For DUAL meets, MHSL recommends only 3-4 relay entries are allowed per event. Actual number is agreed upon before seeding.
- Relays – For CHAMPIONSHIPS, recommend only 2 relay entries allowed per event. Actual number is agreed upon be division.
- Ties – For DUAL meets, ties stand. MM splits points between the two swimmers.
- Ties – For PRELIMS, ties are broken using swim-offs. Swim-offs require their own event, and swimmers may qualify for All-Stars and Records.

MHSL P&P's Regarding Scoring

- Dual Meet Format – It is recommended that all deck changes and the swimmers names for the medley relays are to be submitted to the scoring table a minimum of 30 minutes prior to the start of the meet. For the freestyle relays it is recommended that swimmers names for the relays are submitted no later than event 71.
- NOTE- This is a recommendation. The teams' parent delegates should have agreed upon a deadline for changes and additions prior to the meet.

Look these up in the P&P's

- Officials and their duties
- Scoring
- Championship & All-Star Meets
- 8&Under Age group, Special considerations
- Awards
- Records
  - Must be submitted to Scoring Chair with proper documentation and a copy of the results and the event card (Lane Timer Sheet for a Cardless Meet)
