The Westminster Swim Team competes in the Central Maryland Swim League. Our team is open to swimmers ages 5-18 at all skill and ability levels. We offer morning and evening practices during the season that runs May 28-July 27. Due to the change in the Carroll County school schedule, practice will be cancelled on June 17th and 18th to accommodate swim lessons.

All swimmers aged 11 years and under will be assessed during the first week of practice to determine which group they will practice with. Due to space and safety considerations, swimmers may be asked to move to switch practice groups.
