HSA Southeastern swimming championships parking

- Onsite parking available on a first come, first served basis.
- Onsite lots located directly in front of the facility with another large lot in the back as well
- Drop off lane available for the swimmers in front of the facility
- Access to the back lot is via the small road on the west side of the facility, proceed over bridge with very large lots available
- Parking directly behind the facility is reserved for officials and employees and will be well marked as such (officials will require a parking pass that can be picked up at check in upon arrival)
- Note when exiting the back lot that the traffic flow is one way only and will be marked to direct cars out of the back of the facility only (this is for pedestrian safety)
- Entrance to the facility for all spectators, swimmers, coaches, and volunteers is in the front of the Huntsville Aquatics Center only. Officials with proper credentials may enter through the door adjacent to the lot designated for Officials. All other doors (including those around the Lewis Legacy Pool) are controlled access.
- Please utilize sidewalk on the west side of the building to the front of the aquatic center for your safety, avoid the road or trying to enter in to any door other than the front entrance
