August 2017

VOLTAGE AQUATICS

From the Coaches

The month of August is always one of my favorites! As the season comes to a close I love looking back and remembering all the remarkable things that happened. The 2016 -2017 season for Voltage Aquatics was one full of lots of hard work, great memories, and remarkable best times! Many Voltage Aquatic swimmers represented our local swimming community (LSC) Snake River at both Age and Senior zones this August! Andrea Perttula, Kailee Puetz, and Tahis Ibanez represented at Senior Zones! All three having multiple personal best times! Andrea concluded the meet with a win in the 100 meter Breaststroke and a JR NATIONAL Time!!!! Gavin Dustin and Karlee Puetz represented at Age Group Zones! Both having great swims at their first Zone meet of their careers! Way to represent Voltage Aquatics!!!! Thank you to all the families who supported the team throughout this season. Let's make 2017 – 2018 even better!!!

~ Coach Phoebe
