On the Dry Side: News from the Secretary's Desk
August 2022

Greetings, 757swim!

Enclosed you will find information on upcoming events and reminders.

If you have not yet registered your swimmer for the 2022-2023 season, please do so. Registration is now open to the public. Last year we had several groups on a waitlist, and we anticipate that happening this season. We do not want you on the waitlist, so please do not wait…REGISTER!

Our coaches are busy planning the upcoming season. They have created tentative practice schedules to help families plan. They hope to have solidified schedules the third week of August. The TENTATIVE copies of the 2022-23 Practice Schedule and 2022-23 Short Course Meet Schedule can be found on the website (you must be logged in to your account to view them.)

Be on the lookout for a coach's email the week prior to the start of practice. Coaches will also hold group specific meetings during the second or third week of practice. Information on the meeting time and date will be in your coach's email.

2021-2022 meet reports and team records have been updated on our website. If you notice a record has been missed, please reach out to me.

Congratulations to our swimmers who competed with their summer league swim teams. It is hard to believe that summer league is already over! Good luck as our swimmers return to school.
