SWIM MEET ENTRIES AND FEES MASTERY (HIGH SCHOOL) GROUP

SWIM MEET ENTRY PROCEEDURE

You will receive an email before an upcoming meet stating the deadline by which you must email your coach and Cc: mbripley56@msn.com that you **WILL BE** swimming in the meet. **Without this email confirmation your child will not be entered into the meet and unable to compete.**

Once your RSVP to swim has been received your coach will electronically enter your child into the meet. At this point you will be expected to pay all entry fees and will not be entitled to refund considerations. Your swimmer will be entered, expected to swim, and required to pay the entry fees regardless of whether or not that swimmer attends the meet.

ENTRY FEES

Meet fees will be billed on your monthly invoice and must be paid by the invoice payment deadline.
