**Relay Check-in Procedure:**

All relays are timed finals. All 400 Free relays and 800 Free relays will be swum in finals. The 800 Free Relays will be swum fastest to slowest. There will be a 10 minute break before the start of the Women’s and Men’s 800 free relay. The 400 Free Relay will be swum as the 2 fastest heats of Women, then the 2 fastest heats of Men. Relays will alternate Women and Men after the first 2 heats of each. On Sunday, all heats of the 400 Medley will be swum in prelims session in event order (women then men), slowest to fastest.

In order to enter a 200 Freestyle or Medley relay teams must have the qualifying time in the corresponding 400 relay; **please enter the 400 time.** All 200 relays will be swum in prelims only, in event order (women then men), slowest to fastest.

The cards may be changed up until the relay swim.

**Distance Freestyle Check-in Procedure:**

Swimmers should anticipate that many people seeded ahead of them may opt out of finals and should also indicate with a P that they do not wish to swim the event at finals.

All Distance events will be swum fastest to slowest alternating women and men. The fastest heat of the Women and Men’s events, not declaring a prelim swim, will swim in finals.

**READY ROOM:**
A ready room/area will be provided each evening for the Championship heat in all individual events and the top seeded heat of distance freestyles. Swimmers should report to the ready room 10 minutes prior to the start of their event so they may march to the starting blocks together.

All other heats, D, C, and Consolation, and all relays should report directly to the blocks.

**LENGTH OF SESSION:**
Based on the meet attendance and session length, the meet may be changed to a two pool format, and/or some of the bonus swims may be swum at the end of the session and before time trials. If a two pool format is used, pools will be alternated by gender and day. Consideration will also be given to breaks between events for warm-up/cool down.

The two lanes between the bulk head will remain open for warm-up and cool down.
