FACILITIES: Indoor, 25 yard pool with eight deep water lanes. Additional warm-up and warm-down lanes are available. USA Swimming Rules and Regulations - **Article 202.3.5**; The competition course has been certified in accordance with 104.2.2C (4). A. The copy of such certification is on file with USA Swimming.

TIMING: Colorado Timing System with touch-pads and full matrix LED display.

RULES: Current USA rules will apply. The meet referee will have final authority on all matters related to the meet. Coaches and parents will be responsible for the behavior and safety of their swimmers and their families. Teams will be held responsible for any damage to the school. Positive sportsman-like conduct will be expected.

Swim suit rule for Colorado: 102.9 Swimwear - Swimsuits worn for all **14 & under age** group defined competition shall not cover the neck, extend past the shoulder, nor past the knee.

ELIGIBILITY: Open to all swimmers holding a 2009/2010 USA Swimming membership. Any swimmer that appears on the CSI exception report without registration must come to the meet prepared to show their card or they will be deck registered before they can enter the water. Age group will be determined by the swimmer's age on November 13th. All deck entries must present proof of current registration.

EVENTS: Swimmers may enter up to 4 Events per Day, excluding relays. Coaches, the longer events (200's of stroke for 12 & Under, 400 and longer events for all age groups – these events are marked with an asterisk*) are offered for swimmers with experience. Please do not enter a swimmer in these events unless they have a "B" time standard in the shorter event. This meet will be pre-seeded except races 400 yards and longer that will be positive check-in. We may pre-seed the 500 yard Freestyle events on Friday night but encourage the Friday 500 yard swimmers to do positive scratches if they are unable to attend the Friday evening session. This will enable us to add swimmers to empty lanes if needed.

Positive check-in will be required for any events 400 yards and longer on Saturday and Sunday. A swimmer must check in to be seeded. Failure to check in may result in not being allowed to swim if there are no empty lanes. Check-in and additional entries will close at the start of the session. Swimmers will need to bring their own volunteer counter and timer for the distance events.

The distance events may be seeded alternating girls and boys heats, fastest to slowest. Distance events may be combined (scored separately) to reduce the number of heats. We will be following the four hour rule and will limit the distance events (400 yards and longer) if needed. Teams will be notified at least four days in advance of any changes.
