

**Assistant Age Group Coach
Munster Swim Club
Fall/Winter 2017-2018**

The Munster Swim Club serves Munster, Indiana and the surrounding area. We operate out of Munster High School. We have a 6 yr. old state of the art indoor 50 meter by 25 meter facility. The club currently has approximately 190 Club members (140 age group). Munster Swim Club is a consistent Top-10 age group program in Indiana with a stress of proper stroke mechanics as well as endurance and training.

Munster Swim Club is seeking qualified applicants to serve as an assistant group coach with the club's developmental athletes ages 12 and under, with the possibility to assist other groups in the program as directed by the Head Coach. This is a part time position with hours subject to need by head coaches.

Duties include evening practices Monday through Friday with possible Saturday morning practices if needed. Meets may be scheduled for the coach if needed as well. Regular staff meetings are scheduled and coaches are expected to attend those and other events, such as fundraisers, Team functions, etc. Coaches are expected to keep accurate records of group attendance, time sheets, practice logs and focuses that will be reviewed frequently by the Head Coach.

Qualifications: Applicants (if not previously certified) must be willing to complete certification in CPR and water safety and become a registered coach member of United States Swimming, which requires a criminal background check. A college degree and previous competitive swimming and / or coaching experience are preferred, but not required. Applicants must possess integrity, strong communications skills; and a passion for helping swimmers maximize their potential across ALL levels.

Compensation: Competitive hourly pay will be commensurate with experience, time commitment, and qualifications. Travel and reimbursement will also be given per the head coach and Board of Directors

Applicants: Please submit a resume with references and a cover letter to:

Matt Lee – Head Coach
matthewalee@comcast.net

All applicants will be contacted via email shortly after resumes are reviewed.
