

Report to the House of Delegates

From

David Goble, Administrative Vice Chair

Minnesota Swimming, Inc.

Thank you for the opportunity to represent Minnesota Swimming, Inc. for another year. It is indeed an honor to spend time and work with the children and parents that comprise this fine organization.

The job of Administrative Vice Chair of Minnesota Swimming, Inc. is varied and interesting. Many things seem to fall into my lap not because they are in the job description but because they need to be done and no one else has the time or perhaps desire to do them. I am a member of the Finance Committee; Al Ness has done a very good job for the last few years as our Finance VC. Al and his family, moved to Memphis, Tennessee last fall that was our loss Tennessee's gain. Terri Meeks is our new Finance VC and she will I am sure do an equally great job in the years ahead.

The Colorado Timing Equipment we own falls into my area. The equipment is housed and repaired at the University of Minnesota Aquatic Center. If you rent the equipment and you have problems with anything, mark it as bad. When returning the equipment please tell the staff at the aquatic center, they will test and repair or recommend return to Colorado for repair.

The Minnesota Swimming, Inc. office has reported to many different chairs and vice chairs over the years. Currently it is part of the Administrative VC duties. Cassy Shapley and Sheryl McGuire do an excellent job of running our office and meeting the needs of our swimmers. My proximity to the office is helpful if something needs to be signed by a member of the board of directors.

The Policy Book is still a work in progress. Our committee has expanded and more things will appear on the website as they are completed.

Our web Master continues to do very good work, he had only one complaint this past year. Paul thought he was being paid more than he deserved so he took a cut in monthly income for running the website.

Sincerely;

Dave Goble
Administrative Vice Chair
Minnesota Swimming, Inc.
