

The Bolles School Sharks

The Bolles Sharks Swim Team is a non-profit competitive swimming program open to swimmers from all over the city. In an effort to help defray operating expenses, our athletes are selling advertisements for our swim meet programs.

The Sharks will host a minimum of four swim meets over the course of the 2009-2010 season and the ads sold will be run in each program. A copy of the program will be available to you upon request. We appreciate and thank you for your support to the success of competitive swimming in the Jacksonville area.
