Bolles Sharks Fee Structure 2009-2010

Coaching Fees

The Sharks programs offer two option payments of fees. The first is a seasonal payment, which are three payments of a four-month time block. The other choice is a monthly payment. The seasonal plan offers a savings; however, it must be paid on time and in full order to receive the savings. Once late with payment or your swimmer goes inactive; you forfeit this seasonal payment option. The monthly and seasonal plan will be billed to you through the school after you have paid at least the first month's payment and registration fees when first starting with the Sharks. Monthly payments are due by the 25th of each month. Any seasonal payment not paid by the 25th of each month will automatically be changed to the monthly billing plan. In addition, a finance charge of 1.5% (18 % per annum) is applied to any unpaid balance.

Family Assessment Fee

Each family is a member of the Sharks Boosters. This organization is responsible for the operating funds of the Sharks which include equipment, facility rental, and general operation expenses. The yearly budget exceeds \$30,000.00; therefore, assessments are essential for the operation of our organization. The Sharks fiscal year is September to August. Your initial assessment fee is due at the time of registration. Each year thereafter payment is due by November 1st. The yearly assessment fee is \$250.00 is to be paid direct or through advertising sales. A late fee of \$50.00 will be added to any unpaid assessments as of Nov. 1st. This is NOT a billed fee-please pay at the office.

Parent Responsibilities

Your concern and help is needed to continue our swim program at the current high level of excellence. Not only do we stress athletic achievement, but also, dedication, scholarship, citizenship, and general high values. As parents the coaching staff expects support in these areas. Your attendance at away meets and at home meets are both encouraged from your child's standpoint and necessary from the team's standpoint. Your help is needed in the operation of our home swim meets. We try to minimize the time you must volunteer at the meets by dividing up the responsibilities among ALL of our parents; therefore, we need your commitment to help. Our home meets are a major source of revenue for the team and also to provide excellent competition for our athletes without the time and expense of travel. The only way we can continue these are with the help of you, the parents! Sign-ups for volunteer positions and donations will be given out prior to each home meet through email. *Parents are responsible to signing their child(ren) up for their events through Directathletics.com. Please contact Coach Jason Calanog for your username/password (calanogi@bolles.org). Meet fees are due prior to each meet you attend. Thank you and the Sharks welcome you and your family!
