  - \* No indoor warm-up is scheduled before the 1650.
  - \* On Meet Days (Friday, Saturday and Sunday) the outdoor pool will be available beginning at 7:00 am and will close when the final session begins.
  - \* On the day preceeding the meet (Thursday), the outdoor pool will be available from 5:30 pm - 7:00 pm and (4) lanes will be available in the competition course from 5:30 pm - 7:00 pm.
- Warmup Rules:  
No Equipment Permitted.  
Unless doing a racing start, all swimmers must enter the pool feet first with at least one hand in contact with the deck of the pool.  
The Meet Marshal may alter the warm-up, if possible, to meet the needs of the competitors.
- ELIGIBILITY:** This meet is open to all USA Swimming registered swimmers that have achieved the required time standards included in this meet Information Letter. Times may be proven from LCM and SCM times converted to SCY equivalents using the formula in the current FL Swimming Standing Rules and Regulations ( Article 222.4, page 2).

**SEEDING:** SCY times will be used for seeding. Entry times may be actual SCY times or SCY times converted from SCM or LCM. If proven SCM or LCM times are submitted and labelled as such they will be seeded at the SCY qualifying time.

This meet will be pre-seeded with the exception of the 400 I.M, 500 free, and 1650 free, which will be “check in to be seeded” (deck seeded) events. **Deck entries will not be accepted for deck seeded events.** The Meet Referee may opt to fill empty lanes in deck seeded events with checked in swimmers from the other gender, or combine the slowest heats of deck seeded events.

**SCRATCHES:** **PRELIMS:** No penalty for scratching on the block in the Preliminary or Timed Final events with the exception of the deck-seeded events. Any swimmer entered in an individual event that is “deck seeded” who has checked in for the event, must swim the event unless he/she notifies the clerk of course before the seeding for that event has begun, that he/she wishes to scratch. Failure to do so and not swim will result in the swimmer being barred (scratched) from the next individual event (Preliminary or Timed Final) in which the swimmer is entered.

**FINALS:** Any swimmer who competes in a preliminary heat and qualifies for either championship or consolation finals and fails to swim in the final without notifying the Meet Referee that he/she may withdraw from the finals within thirty (30) minutes after the announcement of the qualifiers for that event and further fails to declare his/her final intention within thirty (30) minutes of his/her last individual preliminary event, **will be penalized by being automatically scratched from Finals in the remainder of the meet, including any Finals not already swum. The Referee may insert the next eligible swimmer into Finals or Consolation Finals once a “failure to swim” is declared and in any vacant lanes resulting from the penalty. Declared False Starts in Finals will be considered a “failure to swim” and will draw the same penalty.** In the event of illness or injury, certified to the satisfaction of the Meet Referee, there will be no penalty.

**ENTRY LIMITS:** **11-12, 13-14, 15-16 & Senior** swimmers may enter a maximum of three (3) individual events per day and a maximum of seven (7) individual events for the meet. **10 & Under** swimmers may enter a maximum of three (3) individual events per day and a maximum of nine (9) individual events for the meet. Relay Entry Limit is two (2) per team per event. Entries which exceed either limit will be automatically dropped. The total meet entry limit will be **800 swimmers**. The following criteria will be used in limiting the meet size:

1. If a team’s entry is the first to exceed the limit, all of that team’s entry will be accepted.
2. Entries will be accepted in the order that they are received. An entry is considered as received when the team’s entries are Finalized in OME.
3. If entries from more than one team are finalized at the same time, first priority for acceptance will go to Florida Swimming teams.
4. Second priority for acceptance will be the team having the most entries.
5. Teams not accepted will be notified by phone or fax by the first Wednesday after the entry deadline and any entry fees received will be returned.

**NEW ENTRY PROCEDURES – READ CAREFULLY**  
**SEE “OME” HIGHLIGHTS ATTACHMENT FOR MORE INFORMATION**

**ATTENDING COACHES:** Coaches (and Officials) are required to have their credentials on their person and visible on deck at all times.

**SMOKING:**           Smoking and use of other tobacco products are prohibited on deck, in bleachers, locker rooms, or any other area designated as a warmup area or swimmers' rest area.

**COURSES:**           Events will be assigned a course (Deep or Shallow) by gender and/or age group. Assignments will be posted in the heat sheet program. Caution: Due to time constraints and because of assigning a course to a certain age group and gender, relays will not be delayed to accommodate younger swimmers who intend to swim in Senior relays.

#### **400 IM / 500 FREE/1650 FREE:**

- \* The **11-12 500 Free and 400 IM** are deck-seeded timed finals events and all heats will be swum in the afternoon session fastest to slowest. **Proof of entry time is required to be seeded and to swim. Check-in by noon (12:00 pm) on the day of the event is required to be seeded in the event.** Swimmers entered in the event, but failing to check in may swim in an open lane if available. No new heats will be created. Note: Checked in swimmers from the other gender will be given first priority in filling empty lanes.
- \* The **1650 Free** is a deck-seeded timed final event. Age groups will be swum together by gender, but scored separately, and heats will be swum fastest to slowest and, if one pool is used, alternating – one female heat followed by a male heat. All heats will be swum during preliminaries. It will be limited to the fastest 40 female and fastest 40 male swimmers regardless of age. If time permits<sup>(1)</sup>, additional heats may be swum. **Positive check in deadline is 9:00 am on Sunday morning. Proof of entry time is required to be seeded and to swim.** Swimmers entered in the event, but failing to check in may swim in an open lane if available - no new heats will be created. 13-14, 15-16, & Senior age groups will be scored separately. Swimmers entered as seniors will be scored as seniors. The **fastest heat of women and men will be swum in the deepest pool** regardless of how the rest of the session is swum. The Meet Referee will announce how this will be accomplished at least one hour before the projected start time of any 1650 yd event. The Meet Referee may combine the slowest heats of each gender into one heat and swim it in the order of the gender with the fewest number of heats. If the event in one pool is projected to be completed sufficiently far in advance, the Meet Referee may elect to move remaining heats from the other pool into it, or permit **combined** gender “additional” heats, if time permits<sup>(1)</sup>. Decisions on combination of heats, movement of heats or additional heats will be announced at least one hour before the expected start of the first 1650 event.
- \* The **13-14, 15-16, and Senior 400 IM and 500 Free** are deck seeded prelim/final events and limited to the fastest 96 swimmers of each gender regardless of age group. Additional heats will be swum if time permits<sup>(1)</sup>. During prelims, all age groups will be swum together by gender, but separated for finals. Preliminary heats will be **swum fastest to slowest** and the fastest three heats of each gender will be circle-seeded. Swimmers entered as seniors will be scored as seniors. **Proof of entry time is required to be seeded and to swim, and Check-in by 9:00 am on the day of the event is required to be seeded.** Swimmers entered in the event, but failing to check-in may swim in an open lane if available. No new heats will be created.

(1) *“Time permits” is sufficient time to start and complete additional heats at least 10 minutes before the guaranteed warmup period would commence if the next session - Preliminaries or Finals - commenced at the advertised starting time or “not before” time. Estimates of “Time Permits” will first be made after seeding based on the current status of the meet and again approximately one hour and 15 minutes before the projected time of the first heat of the event, at which time a final decision will be made by the Meet Referee to either swim or not swim additional heats.*

The fastest heat of women and men will be swum in the deepest pool regardless of how the rest of the session is swum. The Meet Referee will announce how this will be accomplished at least one hour before the projected start time of any 1650 yd event. The Meet Referee may combine the slowest heats of each gender and swim it in the order of the gender with the fewest number of heats. If the event in one pool is projected to be completed sufficiently far in advance, the Meet Referee may elect to move remaining heats from the other pool into it, or permit combined gender “additional” heats, if time permits<sup>(1)</sup>. Decisions on combination of heats, movement of heats or additional heats will be announced at least one hour before the expected start of the first 1650 event.

If the Sunday morning events are separated into two pools by gender, there will be at least a 10 minute interval between the completion of the 200 fly and the first heat of the 1650 free.

\*\*\* The **11-12 400 IM** is a deck-seeded timed finals events and all heats will be swum in the afternoon session fastest to slowest. **Proof of entry time is required to swim**, and Check-in by noon (**1:30 pm**) on Sunday is required to be seeded, in the event. Swimmers entered in the event, but failing to check in may swim in an open lane if available. No new heats will be created.

\*\* The 11-12 200 Back is a Timed Final Event, All heats will be swum during the afternoon session.

(1) “Time permits” is sufficient time to start and complete additional heats at least 10 minutes before the guaranteed warmup period would commence if the next session - Preliminaries or Finals - commenced at the advertised starting time or “not before” time. Estimates of “Time Permits” will first be made after seeding based on the current status of the meet and again approximately one hour and 15 minutes before the projected time of the first heat of the event, at which time a final decision will be made by the Meet Referee to either swim or not swim additional heats.

## USA SWIMMING – ON-LINE MEET ENTRY HIGHLIGHTS

- Ensure that swimmers times are loaded into the USA Swimming SWIMS database – Particular attention should be given to times achieved at observed and approved meets. Do not wait until immediately before the entry deadline to discover the time has not been loaded. Coaches and swimmers can verify that times are in the database by using the times look up at [www.usaswimming.org/times](http://www.usaswimming.org/times). Contact the host LSC National Times Coordinator of the meet at which the times were achieved to have the missing times loaded.
- Only one account per team (Head Coach) can be used for team entries. The USAS ID number of the head coach will be required to begin the entry process.
- Read the tutorial comments on each page during the entry process. Most questions will be answered if the instructions are read.
- When advancing through the entry process, each time the “NEXT” link is pressed, the information on that page is saved. This allows the entry to be processed during multiple sessions. Coaches can start an entry, save it as-you-go, and sign out without paying for it – in other words coaches don’t have to pay every time an addition is made and OME will retain the progress that has been made on the entry.
- Use the links on the left side of the entry page to jump forward or backwards to specific sections of the entry process (i.e. Relay, payment/checkout, etc.). Using these links also saves the information on the previous page.
- Once an event entry has been finalized/purchased, there are no refunds.
- Teams do not have to wait until the entire entry is complete to finalize/purchase events. Teams can enter some athletes, finalize/purchase those entries, then return at a later date and add more events, relays, or athletes and finalize/purchase events.
- **An athlete is not entered in the meet until the event(s) have been finalized/purchased.**
- When entering “Override Times” (times not currently showing up in the SWIMS database), in the meet name field, give meet name and brief details on where the time was achieved – i.e.: FGJO13-14-400FRelay Lead – There is room for 25 characters of data. Also enter the date of the meet in the date field. The National Times Coordinator will pre-clear as many (\*) times as possible.
- Relays: There are two possible types of times that are legal for relay entries:
  - a. A Team Time – A time achieved by the team during the qualifying period. It is important to understand that the Team Time has 4 athletes associated with it. To use a Team Time for a “B” relay - a Team Time that was achieved using 4 different athletes than achieved the “A” relay. **IMPORTANT** – There are 4 names associated with each relay and they are displayed during once a relay has been selected. These athletes are not entered in the meet and those names do not come across in the entry file – they are just listed as a reference so that the coaches know what athletes they **MAY NOT** use for subsequent relay entries.
  - b. An Aggregate Time – The aggregate time of any four athletes on the team (whether they are participating in the meet or not) that was achieved within the qualifying date range. They do not have to be on the roster. Putting the names on the aggregate relay does not add the athletes to the roster and the names do not come across in the file. If the coach builds a “B” relay using the aggregate process, none of the athletes that were used in the “A” relay can be used in the “B”.
- Hy-Tek Team Manager can be used as a tool to assist in the OME process.
  1. First load the “Meet Events File”.
  2. In the Meet Maintenance panel, set the minimum age for open events as desired.
  3. Click on the “Enforce Qualifying Times”.
  4. Create a “Meet Eligibility” report. **REPORTS/PERFORMANCE/MEET ELIGIBILITY**. Select “Only Eligible Swimmers”. This report shows all eligible swimmers for the meet.
  5. Highlight events to be entered for each swimmer.
  6. Proceed with On-Line Meet Entry.
