

## **KROGER CHANGES NON-PROFIT CONTRIBUTION MECHANISM**

Kroger has changed its program for contributing to non-profit organizations. The old Kroger "share" card is no longer valid.

Their new program associates your existing plastic Kroger Plus *shopper's card* with AQUASTAR (Bay Area Aquanauts is our official corporate name) through a one-time (annual) barcode scan with a barcode especially set up for us. The barcode is below.

**ACTION REQUIRED:** Take a copy of this bar code letter to Kroger. Give it to the cashier when you hand them your Kroger Plus shopper's card. They will scan both, linking your card to the team. That's all it takes. You will need to do nothing except use your Kroger Plus shopper's card as usual on future shopping trips. You are then set til 5/1/09.

(If you do not currently have a Kroger Plus shopper's card, present this barcode once you begin using a new shopper's card).

THANK YOU!!

BAY AREA AQUANAUTS
