Hello, 2009 Long Course!

Congratulations to AQUASTAR for an outstanding championship season with a record-breaking percentage of best times and group promotions. I am very proud of all the swimmers who participated in Spring Champs, TAGS, and Junior Nationals! I would also like to say a special thanks to all of our parents and families of swimmers who work so hard to support your swimmers. We appreciate you and all of the dedication you show our team! This short course season, 90 swimmers competed in a championship meet. My goal for next season is to have 180 swimmers compete in a championship meet. I am really psyched about the potential that lies at our fingertips right now. We are going to have an awesome season, I can feel it coming. I want us to have at least 20 swimmers at TAGS. Everyone needs to be shooting for TAGS times! Good luck!

It's lack of faith that makes people afraid of meeting challenges, and I believed in myself.
