After the entry deadline and prior to the first day of the meet, late entries will be accepted by Email only. Late entry fees will be doubled and late entries will be seeded with no time (NT). Late entered swimmers must present proof of USAS registration to the Clerk of Course.

Format: This meet is a prelim/final format for 11 and over swimmers for Saturday's and Sunday's events, with the exception of the 1,650 Free, which will be timed finals. All relays will be timed finals and swum in the prelims sessions. All of Friday's events and all events for 10 and unders are timed final. For Prelims and Timed Finals sessions two 8 lane courses will be used. One course will be used for Saturday/Sunday Finals. Two heats (Top 16 swimmers) will return for finals in 11-12, 13-14, and Senior events. **Meet management reserves the right to combine events as needed and reserves the right to limit the number of heats in any event 400 yards or longer as well as the right to limit overall entries in order to maintain reasonable and allowable timelines.** Every effort will be made to notify teams in advance of any changes in the order of events. Changes in pool and session assignments will be posted on the ASL website (www.swimasl.com) and at the pool. Whistle and no-recall starts will be used, and dive-over starts may be used. **Coaches should make sure their swimmers understand dive-over starts.**

The 500 free, 1650 free and 400 IM will be deck seeded and swum fastest to slowest. The 400 IM will be swum by event number. Senior and 13-14 age groups will be combined for the 500 and 1650 free, but scored separately. If the boys and girls 1650 free are swum in the same venue, girls and boys heats will alternate with the fastest heats swum first.

Positive check-in is required for all deck seeded events and will close 30 minutes before the start of the session in which that particular event is scheduled. Swimmers in the 500 and 1650 free will need to supply someone to count laps.

Excessive Entries: In the event of excessive entries, the Meet Referee reserves the right to shorten the meet by eliminating the relays and/or restricting the number of heats in any or all events. Entry fees for any swimmer dropped from these events will be refunded.

Entry Times: **'NO TIME' Entries WILL NOT be accepted for this meet. Swimmers with NT events should be entered with their estimated times.** Any NT entries will be scratched, and those entry fees will not be refunded. Note however that estimated times should NOT be used to 'qualify' swimmers for an event where there is a minimum time standard.

There are no time standards for this meet with the following exceptions: **13 and over events 400 IM, 500 Free, and 1,650 free must have achieved the 13-14 'B' standard to swim these events. For the 12 and under 500 free the qualifying standard is the 11-12 'B' time.** 12 and under swimmers must meet the standards for the 13 and over events to swim in the 400 IM or 1650 free.

**GEORGIA SWIMMING INC.
SCRATCH RULE**

The Scratch Rule used in all meets in Georgia where the meet format has preliminary heats, consolation finals, and finals is the same "Scratch Rule" as that found in the current USA Swimming Rules and Regulations. Certain LSC additions listed below apply to all timed final meets as well.

"D. Scratching from finals:

1. Any swimmer qualifying for a C, B, or A (bonus and consolation final or) final race in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet. A declared false start or deliberate delay of meet is not permitted and will be regarded as a failure to compete.
 2. In the event of withdrawal or barring of a swimmer from competition the Referee shall fill the C, B, or A (bonus and consolation final or) final, when possible, with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These alternates shall not be penalized if unavailable to compete in the finals.
 3. Where C and B (bonus and consolation) finals have not been swum and a barring or withdrawal is known to the Referee, the Referee shall re-seed the C, B, or A (bonus final, consolation final or) final, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final.
 4. If the C or B (bonus and consolation) final has already been contested, the companion final shall be swum without reseeding for the empty lane(s).
- E. Exceptions for failure to compete – No penalty shall apply for failure to withdraw or compete in an individual event if:
1. The Referee is notified in the event of illness or injury and accepts the proof thereof.
 2. A swimmer qualifying for a C, B or A (bonus or consolation final or) final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
 3. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer."

LSC ADDITIONS:

1. Swimmers that qualify for any additional heats beyond the above mentioned "C, B and A" final races will also be subject to the above rules concerning scratching from finals.

2. In deck seeded events, a swimmer who has checked in, been seeded and fails to compete in said event, shall be barred from his or her next individual event, except as noted in section E above. **This rule also applies in timed finals meets where the meet management has placed limits on the number of heats to be contested or the number of individual entries to be accepted for deck-seeded events, unless otherwise stated in the Meet Information.**

3. There is no scratch rule governing relays and there is no penalty regarding relay scratches.

4. **Qualifiers for all finals heats** and first and second alternates are **those as** identified on the original results of the preliminary heat.

5. The meet official designated to receive initial intentions not to compete and final intentions shall be announced at the beginning of each session. It is suggested that this official be the Clerk of Course.

6. On the final day of LSC Championship competition, any swimmer who has checked in for finals and fails to show will be assessed a \$50 fine. This fine must be paid before the next LSC Championship meet in which the swimmer intends to compete or the swimmer will be barred from competition.

7. "Positive check-in", (for deck seeding), designating a swimmer's intent to swim a race, shall be denoted by the swimmer's or coach's initials next to the swimmer's name on the official entry sheet posted at the Clerk of Course.
