

Aiken-Augusta Swim League

Learn to Swim with ASL

Have your child learn how to swim with the premier team in the CSRA!

The Learn to Swim Program is designed to provide a comprehensive program for beginning swimmers age 4-12. Our number one goal with the program is to provide a positive and enjoyable experience to beginning swimmers and have them gain confidence in their ability to swim. All swimmers need to be comfortable in the water, and will go through a structured program that is based on their skill levels. A swimmer who has fully progressed through the program would be ready to enter the full ASL program (begins with the White Group).

Each practice is conducted by trained instructors and is supervised by an ASL Coach. The student-instructor ratio is kept low to ensure the quality of each lesson.

Upcoming Sessions:

Please note that if any session does not meet the required number of participants, registration money will be returned or credited for another session
