2010-2011 ASL Registration Details

Registration Fee: There is a one time per year non refundable registration fee of \$200. The registration fee covers your swimmer's 2011 registration to GA & USA Swimming, insurance; team t-shirt and cap, incentives, awards, and other administrative costs.

Annual Fees: ASL is a year round swim program that offers payment of annual fees in nine (9) installments. The first payment is invoiced upon registration approval.

a. For those that register before September 30th, payments 2-9 will be due in consecutive months beginning October 1, 2010.

b. For those that register after September 30th, your 2nd payment is due on the 1st day of the following month and will continue for 8 consecutive months (or the end of the 2010-2011 swim year, whichever comes first).

All members will receive an invoice on the 21st of each month that is due on the 1st of the next month.

Annual Pay In Full Discount: There is a 10% discount off of annual dues for those who choose to pay upfront for the year.

Multiple child discounts: There is a 10% discount for swimmers after the first swimmer. The highest priced swimmer will pay the regular fee, and the other swimmers will receive a 10% discount off of dues.

Withdrawing From the Program. A swimmer choosing to withdraw from the program must send notice in writing (either a letter or e-mail) to the Program Director or Team Administrator by the 15th of the month. Failure to do so will result in the family being billed for the next month –families will be responsible for these charges. In some cases we may have waiting lists for groups at some pools – failure to notify ASL on time may result in another swimmer not having an opportunity to participate. Please be courteous and observe this policy.

Re-signing up for the program during the same year: A swimmer who has withdrawn during the current year may choose to re-enter the program. There will be an additional \$25 fee charged upon re-registration to cover administrative costs. In the event that there is a waiting list for the group the swimmer wants to return to, the swimmer must join the waiting list until a spot opens up.

Pro-rating months: We are unable to prorate monthly dues. Families are responsible for the entire month's dues for any month they are signed up and billed for.

Meet Fees: ASL participates in (and hosts) meets each year. Swimmers participating in these meets are charged meet fees for each of these events. The meet fees are in addition to the membership dues and are non-refundable. When you sign-up your swimmer for a meet, you will be invoiced for the meet entries. If for some reason, your swimmer cannot attend the meet, the entry fees are still your responsibility. Entry fees are paid up front to the host team and are not refundable, so the club cannot afford to refund them to you.

Account Management: ASL has developed this website management program to help with managing your account. You are responsible for managing your account information and managing the financial commitment associated with the ASL program. You will receive an invoice on the 21st of each month that is due on the 1st of the next month. Any failure to pay the invoice by due date may result in forfeiture of privileges to swim in the ASL program. Again, management of your ASL Account is your responsibility. We generally try to work with families regarding their bill. Any requests for consideration should be submitted in writing to the ASL Board of Directors.

MEET PARTICIPATION COMMITMENT

Family Participation Policy

ASL hosts three meets each year – we do this to both provide a competitive opportunity for our swimmers and to serve as a fundraiser for the club. We rely on our families to work to put on these meets. Any family not working at a meet that their child is swimming will be subject to a \$50 fine. Adjudication of the fine as well as additional remedies will be handled by the Board of Directors of ASL. The ruling of the BOD will be final.

Participation Sign Up

In an effort to streamline the process, volunteer sign-ups are handled via the ASL website (www.swimasl.com). If your child is swimming in the meet and ASL is hosting, it will be a (fun) working weekend for you. If you need to make arrangements for childcare so that you can enjoy the experience more fully, please make arrangements ahead of time. We generally only host three (3) meets per year, so let's make the most of it. Positive attitudes go a long way in making our swimmers feel energized and our guests welcome. ASL has a terrific reputation for hosting quality meets. These serve both as a fundraiser for the club and as a competitive opportunity for our swimmers. Your participation in helping run these meets is critical to our program.

If you are not able to sign-up on the website (the list is usually locked out a few days prior to the meet), you are responsible for contacting the volunteer coordinator and fill in where he/she needs you.
