

Dear Team Members,

We have come up with a schedule for visits by our team vendor, DJ Sports, out to the different pools that we use. DJs will bring with them a complete selection of swim gear plus they will have our team logo wear order form AND a selection of warm ups and parkas to try on so that you can find out what size is best for you.

If you have specific requests for items that you want them to bring for you, please call them in advance and give them your name, pool and the item(s) that you want so that they can bring it for you. Their phone number is 281-370-7946 and ask for Becky.
