

Colony Grant Pick-up/Drop-off Rules

Please help keep our swimmers safe by observing the following rules.

1. We are not permitted to park in the lot by the tennis courts or in the circle drop-off area. When parking, use the lot by the diving well end of the pool and walk with your swimmer to the pool area.
2. No waiting in the circle drop-off area. Wait on the street curb right before the circle drop-off. When your swimmer has exited the pool, then pull forward into the circle drop-off area to pick up your swimmer.
3. Swimmers should enter and exit the car on the curb side of the car. Swimmers should never cross between cars.
4. Do not wait on the street curb after the circle drop-off area. Swimmers will not be permitted to cross through the drop-off area to get to your car.
5. When entering the drop-off circle, pull in close to the curb before your child exits the car. Do not pull up next to the left hand side curb and have your swimmer walk through traffic.
6. Do not park across the street, so that your swimmer has to cross through traffic to get to your car.
7. Assistant coach will walk out to pick-up area with swimmers. Any swimmers still remaining five minutes after practice time ends will be brought back inside the gated pool area to wait for their parents. Parents of these swimmers will need to park in the lot by the diving end of the pool and walk up to get their swimmer. Swimmers shall notify coaches when their parent arrives.
8. Swimmers are required to be on the sidewalk just below the steps while waiting for their parents. Swimmers are not permitted to walk to the parking lot without a parent.
9. No parents should be talking or playing on their cell phone while entering the circle drop off/pick up area.

Thank you for helping to make our children safe when entering and exiting the pool area.

First Colony Swim Team creates opportunity for swimmers to merge passion and commitment with expertise resulting in the highest level of personal performance.
