

Our Mission:

"Provide a positive environment for all swimmers to develop their full potential athletically and personally."

2009-2010 Corporate Sponsorship Program

Greetings Community Partner,

Katy Aquatics, a 501©⁽³⁾ non-profit organization founded in 1986, has developed a state and national reputation as a first-class, year-round competitive swim program with over 250 members. We offer a guided age-group youth program for children ages 5 and up, with skill levels ranging from beginner to the most competitive and skilled swimmer. The only requirement to join our entry-level program is the ability to swim one length of a 25 yard pool without stopping. When a young person becomes a member of the Katy Aquatics, he/she not only learn the values of sportsmanship and team work, they also are encouraged to strive for personal excellence. Katy Aquatics swim team provides physical, emotional and intellectual skills that will last a lifetime.

As a community service, Katy Aquatics also provides non-competitive "learn to swim" for young children, youth conditioning programs, and an adult "masters" program. As you can tell, Katy Aquatics keeps Katy swimming!

Maintaining the high quality competitive swimming programs, while keeping it affordable, is an ongoing challenge. Katy Aquatics regularly solicits assistance from the business community to keep this important program in the Katy sports and recreation community alive and well.

We hope you will embrace the opportunity to sponsor our organization, and in return we will provide great advertising value as outlined in the enclosed Corporate Sponsorship Program. If you wish to become a Katy Aquatics sponsor, please contact Scott Spencer as detailed below.

You will receive a letter of confirmation to detail your charitable contribution. We look forward to hearing from you!

Sincerely,

Scott Spencer
Katy Aquatics Treasurer
