

Dear swimmers and families,

Below you will see conflict schedule for the swimmers at Cy-Ranch. There are times that we have to share the pool with the high school, and this Friday, Oct 2, is one of them. When this occurs, a schedule change does need to happen like the one listed below. Our coaches' work diligently with the school to make sure we have the dates in advance thus they have been able to put a calendar together for you. Please note that changes can occur, and we will keep you updated accordingly. As of now, when Cy-Ranch is not available, Bronze swimmers will swim in Fairfield at the Recreational Center Pool.

Upcoming conflicts at Cy-Ranch:
