

*Fall/Winter, Spring and Summer
Season Dues*

The Sioux City Mariners Swim Club welcomes all new and returning swim families to our parent-run swim club. Our club dues pay for coaching, swimming pool rental and numerous Tri-State League meet fees. Dues can be paid in full at registration or in equal installments as shown below. If you are a family with multiple swimmers, we offer a discount off the full Fall/Winter Membership of \$50 for additional swimmers. (No discount off Metro Dues.)

There is a two-week trial period for all new swimmers during which time dues can be reimbursed in full for any reason.

Swimmers will also be required to become a member of USA Swimming by completing the Athlete Registration Form. The membership fee is included in your Mariner Dues for full Fall/Winter Season Memberships. (Metro swimmers, and swimmers who only participate in Spring and/or Summer will pay USA Registration separately.) This membership includes a subscription to Splash Magazine. Swimmers will also have to pay any splash fees for non Tri-State League meets if they choose to participate in events outside of our swim league. These fees vary but will be disclosed in the swim meets event file, which will be posted online prior to the event.

As with any sport there will be costs associated with swimming that are not fixed and will be unique to each swim family. Some of these items may be monetary such as swimsuits, goggles, swim bags, towels, t-shirts and miscellaneous gear; while others may or may not be monetary such as volunteering to help at our home meets or donating food for our concession stand. These costs can vary greatly. Remember some of these items are mandatory and some are optional so the best thing to do with these items is to ask if you're unsure.
