Illinois Swimming Members-

I hope this note finds you well. I know the news of the stay at home order being extended is not one any of us had hoped for.

COVID-19 RE-OPENING PLANNING GUIDE

[Click here](#) to find a document to assist you and your clubs in planning how you could return to running your programs.

This document is useful for two major reasons. First, once filled out it will hopefully be something you can use to initiate communication with your facilities. It also allows clubs to take a close look at what things may look like when you may resume activities, you will need to plan things to the best of your abilities.

We highly recommend you attempt to have conversations with your facilities, they will not have answers, but give them something to think about and explore.

If upon reviewing the document you find some other areas to examine please feel free to share them with me via email [Jeff Arce](mailto:jeff@cats-aquatics.com)

COACHES ZOOM GATHERINGS

Thank you to TJ Moran for hosting ISI Coaches Zoom get togethers. These events take place on Tuesdays at 11am and Thursdays at 4pm.

MEET SANCTIONS

All sanctioned events have been cancelled thru May 31, 2020 by USA Swimming.

Any meet that did not take place due to the sanction cancellation policy thru USA Swimming will receive a credit for a future sanction. This credit must be used by December 31, 2021. The meet does not have to take place by December 2021, your sanction must be applied for by that date.

We have no further update on when sanctioning will resume. Those decisions will be based on USA Swimmings decision to allow sanctioning and the re-opening of the state.

Thanks
